Care and services that honor and respect your choices

At Farmington Presbyterian Manor, our goal is to provide an environment that lets residents remain as independent as possible, and to help them make the most out of every moment — physically, socially and spiritually. Here, you will be free to make your own choices, so you can maintain control of your life, while getting the help you need.

Many families have found that trusting us with their loved one helps ensure a better quality of life. For you, that means easing your family's minds while enjoying the support you need to thrive.

Professional care with a compassionate touch

Our caring staff often becomes an extension of each resident's family, providing friendly, personal attention and building lasting relationships that help our residents feel at home. With support, residents have the opportunity to pursue their interests to the extent their abilities allow. Whether joining us for a short-term recuperation from an illness or injury, or as a long-term resident, you will find our staff eager to make you feel at home.

A place to feel at home

Our health care center provides many amenities for an enhanced quality of life. These include a chapel, library, hair salon, two secured outdoor courtyards, a private family dining room, gift shop and more.

Covered services include:

- Individualized care planning
- Three meals daily with multiple choices
- Healthy snacks
- Qualified 24-hour nursing care
- Daily housekeeping
- Daily laundry
- 24-hour security
- Emergency call system
- Activities and cultural events, including day trips to nearby attractions
- Medication management
- Spiritual services
- Transportation

We provide up to six levels of health care services, which may increase or decrease based on the types and number of services needed. Our Level of Care Assessment will help identify needed services, and will be adjusted as needs change.
