About Annabel

Annabel joined Spring4 in September 2020 after graduating with Distinction from Cass Business School, London where she studied for her MSc in Real Estate.

She is now training to become a RICS qualified surveyor with Spring4, aiming to sit her Assessment of Professional Competence in the Autumn of 2022.

Annabel is involved in a variety of transactional work alongside Directors, expanding her property knowledge and experience. She is an integral part of Spring4's portfolio advisory team, managing the client onboarding process for the portfolio lease management software.

Education

University of Durham: BA (Hons) Anthropology

Cass Business School: MSc Real Estate
