

Ref: FRP2020

Dear Loyal Families,

We want to take a moment to say thank you, to recognize the positive referrals so many of you make to prospective families. We also want to acknowledge your feedback in the recent parent survey, by redefining our Family Referral Program. Thanks for your input! To show our deepest appreciation, we want to give something back to you! Starting today, Henderson International is excited to share our freshly updated Family Referral Program.

For every student that you introduce, and who actually starts at Henderson International, you will receive a minimum \$750 tuition credit, which we will apply to your account. Here's what you need to know:

<b>For every student you introduce, you will receive:</b>		
1 New Student = \$750 Tuition Credit	2 New Students = \$750 Tuition Credit Per Student	3 or More New Students = \$1000 Tuition Credit Per Student

To benefit from this opportunity, please take a moment to read the fine print:

- A contract must be signed and enrollment must be completed by the prospective family.
- Tuition credit applies to each enrolled student.
- The new student must actually start school and stay enrolled for a minimum of 90 school days.
- Tuition credit will be applied once the required 90 school day period is complete.
- The new student must not have previously attended Henderson International School.
- There is no limit to the number of family referral tuition credits a family can receive.
- This program is not retroactive for current families enrolled in the school.
- Tuition credits will only be applied to accounts that are current and up to date.
- If a referring family leaves Henderson International and then returns, the tuition credit will not be reinstated.
- Tuition credit cannot be offered as a cash alternative.

**Tuition Assistance:** For families who receive tuition assistance, you can receive a total of \$350 of tuition credit for 1-2 students enrolled, and a maximum of \$500 for three or more students enrolled.

And finally, remember to let the prospective family know that they **MUST** mention your name when signing their contracts. Once again, thank you for your loyalty! It is a pleasure to have you as an integral part of our Wolverine Family!
