

RALPH E. HANSEN, D.M.D.
WHITTIER PALM DENTAL

August 26, 2019

Dear Patients,

It is with mixed emotion that I write this letter today. It is not often in life where you are able to enjoy an unparalleled passion for your work, and are fortunate enough to establish generational relationships while providing quality care for those that you have grown to know and love. Carol and I have been truly blessed over the years with so many of you enriching our lives and giving us the ultimate compliment by inviting us to provide dental care to your family and friends. As we transition into retirement, we greatly appreciate your friendship and would like to thank you for your trust in our team for so many years.

For over forty years we have been dedicated to providing our patients with the highest possible level of dental care. An integral part of providing that care is having a dynamic team that is committed to your oral health. After months of searching for the right person, I am delighted to announce that we have found a dentist who shares our enthusiasm and practice philosophy to resume your care. **Dr. Jelani Winslow. He will continue your dental treatment and assume all responsibilities as practice owner effective August 26, 2019.** We will be available in the office on a limited basis for the *next few months* as we will now devote more time to our volunteer work in the community and focus more on *our* health and family.

Dr. Winslow was born and raised in Los Angeles. He attended the University of California at Berkeley, studied Biology and graduated in 2001. He graduated from Temple University Dental School in 2006. After graduation he moved back to Los Angeles and advanced his dental skills with a residency program at Rancho Los Amigos National Rehabilitation Center. When not doing dentistry, Dr. Winslow enjoys spending time with his family, volunteering, working on personal electronic projects, and learning new languages.

I feel extremely fortunate to have Dr. Winslow joining the practice. Not only is he an extremely competent dentist, but he is a sincere person who shows caring and respect for those he treats. The staff will remain dedicated to your care. Shawn and Carol look forward to introducing him at your next appointment. He has the knowledge and experience to continue all aspects of your dental care including Cosmetics, Root Canals, Oral Surgery, aligning crooked teeth with Invisalign, whitening discolored teeth, and helping patients improve and maintain their smiles.

Dr. Winslow is very excited to get to know you and your family and hopes to build a lasting, trusting relationship with you to continue the same level of services that you have grown accustomed. Please join us in welcoming him.

As your next appointment approaches, I'm sure you will enjoy meeting Dr. Winslow.

Best wishes and good health,

Dr. Ralph & Carol Hansen
