## Series Registration & Event Entry

### Registration:

#### Racing License & Crew Credentials

**Below, we outline all you need to know to kick your season off on the right foot. Please read the entire page before beginning registration for events or applying for Driver / Crew Credentials.**

Formula Race Promotions events are sanctioned and insured by SCCA PRO Racing

**ALL** participants — drivers & crew & guests desiring hot pit access **MUST BE** a member of **SCCA**.

Guests or Crew may participate in FRP events without being an SCCA member, but **will not be** allowed in hot pit areas. Anyone found in a hot pit area without proper credentials will be fined (\$500), and this fine will accrue to the associated team.

- To join or renew one's SCCA membership, go to: <https://www.scca.com> - click on "Join SCCA/ Renew" (upper right corner) and follow prompts.
- The fee to be a member of SCCA is the responsibility of participants, and **is not** included in any event fee due FRP.
- One can also join or renew their SCCA Membership when signing up for a Pro Driving License or FRP Crew Card (see links below).
- There is also a "Weekend SCCA Membership (\$50), available for sign up at each event.

#### FRP Specific Crew Credential

For Crew Members desiring an FRP HardCard Credential, (with proof of Annual Waiver signed), Go to:

<https://www.sccapracing.com/forms/2020-frp-crew-registration>

- Follow Prompts - download and fill out the Credit Card Form (if applicable) & Appropriate Annual Waiver, and submit these with picture.
  - Adult Waivers can be Notarized OR signed by any NON-FAMILY SCCA Member —
  - Minor Waivers need to be signed by BOTH Parents, AND Notarized —
  - ALL Waivers need to be PRINTED in COLOR —
- You will need to be a member of SCCA, and provide your member #, or fill in "New Member" (needs CC Form) to process all together.
- There is no additional fee for the FRP Crew Hardcard - The SCCA Membership Fee is the responsibility of participants.
- An FRP PRO HARDCARD MAKES AT TRACK REGISTRATION EASIER -- submit your form at least 2 weeks prior to first attended event.

## Drivers — 2020 Racing License Requirements

**ALL Drivers** participating in any FRP event are required to have, at minimum, an SCCA (Club) “Full Competition License” (Other sanctioning body licenses may be acceptable, determined on a case by case basis by FRP officials).

- **Everyone**; competing in **F1600, F2000, Atlantic & NAF1000** for more than two weekends, needs to have an SCCA Pro License.
- An additional \$125 fee applies, and this fee is the responsibility of participants (This is the FRP rate, normal cost for a Pro License is \$300).
- Approval for a Pro License is automatic with a full competition (club) license.
- FRP always retains the right to determine qualifications, and deny entry, of drivers regardless of license held.

First time and non-SCCA drivers: Your driving resume and existing license will be reviewed by SCCA & FRP stewards: upon approval you will be granted a provisional Pro license and observed by FRP staff during on track activities.

For SCCA Pro License Applications and instructions, go to:

<https://www.sccaproring.com/pages/frp-driver-application>

Membership in SCCA & Licensing does not have to be completed before Entering FRP Events on Motorsportreg, but will have to be completed prior to "wheels on track". SCCA Pro charges a substantial late fee for License Applications received within 2 weeks of a desired first event, so do this early.

You can also find Links, instructions & forms to all applications on each of our Series “For Competitors Page” on the FRP website - <http://www.formularacepromotions.com>.
