

## Directions to HudsonParrottWalker

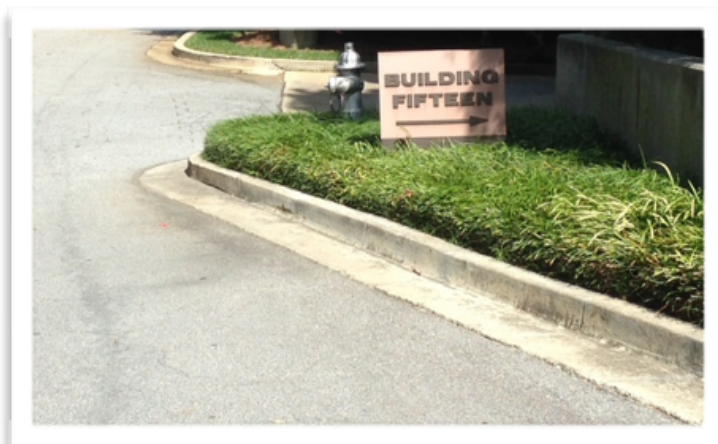

Our office is in Building 15 of Piedmont Center. Piedmont Center has four driveways, labeled driveways A, B, C and D. You may access our building from Driveway A or B.

If you enter driveway B (at a light), you will enter the driveway and head straight toward a midrise building, which will be Building 14. As you approach Building 14 you will see a sign directing you to turn left toward Building 15. Building 15 is also a midrise building, and there is visitor parking in the front of the building. Enter the building. We are in Suite 850.

Here are two signs you will see:

If you enter Driveway A, continue down the hill to the very last entrance into the parking garage (you will see the sign below). Park in the garage and take the elevator to the "P" level. From there you will take the elevator up one floor to the Lobby level. We are in Suite 850.
