Ministry Team Letter

In Safe Hands

I wonder if, like me, you went on a journey over the Summer? Perhaps on holiday, or to visit friends or relatives. You might have heard a recent radio advert about the importance of checking your motor vehicle is fully roadworthy before setting off on a long journey, in which an airline pilot assures his passengers over the cockpit radio that he reckons they've probably got enough fuel on board to reach their destination, he's kicked the tyres and they seem fine, and the oil warning light isn't currently on, so it's time to 'buckle up' because they're ready to fly! When we entrust someone else with our journey, we want to feel constantly reassured we are in safe hands - at the very least we would want to know where that journey is leading!

Journeys with God are rarely like that. The Bible contains many examples of people being led on a journey by God without knowing where they were going to end up, how long the journey would take, or what would happen at its end. Abraham and Sarah leave everything and everyone they know behind based solely on God's promise of a new land for them and their descendants. Those same descendants are led by God out of slavery in Egypt through the waters of the Red Sea...and then spend 40 years in a desert before finally reaching the promised land of Israel. Jesus' first disciples followed him faithfully for 3 years without realising his journey was leading him to the cross, to suffering and crucifixion in order to set all people free from the slavery of sin and death. His glorious resurrection opens the way to a new life, a new promised land, for everyone who wishes to follow him now.

It's not always an easy journey. We don't know all that journey will involve. As parishes and churches we are currently undertaking an uncertain, unnerving journey from what we knew, to something new that we don't quite have the full picture of yet. New people have joined us on the journey, such as Grace Bridgman our new Administrator, and Stephen March, Pioneer Development Worker helping us discern more of that unfolding picture of where God is leading us. Other people have left on new journeys of their own. Our Vicar, Emma Davies, is currently on her year-long secondment with Leicester Cathedral, and by the time you read this my year as Assistant Curate here will have ended and I will be preparing to be licensed as Priest-in-Charge of Leicester Forest East & Braunstone Town with Thorpe Astley. All this change and uncertainty and newness! We can't prepare for it. We aren't fully in control of it. Who can we trust to bring us safely somewhere we don't know where?

I am reminded of a line from Minnie Louis Haskin's poem, 'The Gate of the Year': *"Put your hand into the hand of God. That shall be to you better than light and safer than a known way."*

God is doing more than just kicking the tyres. God has the vision and the plan to lead all who place their trust in God into a promised land; a new, bright future. It may not be quick, it may not be by the route we might expect – or choose – but if we reach out in faith and trust, we will find God already reaching out for us, ready to lead and hold us in safe hands our whole journey through.

"Trust in the Lord with all your heart, and lean not on your own understanding. In all your ways acknowledge him, and he shall direct your paths" (Proverbs 3:5-6)

Until our paths cross again, may I wish you every blessing on all your onward journeys.

Rev'd Dave Hover

PRAYER WALKING IN AVON-SWIFT, 17-19TH SEPTEMBER 2019

Over these three days in September we will be prayer-walking each village in the Avon-Swift benefice. Perhaps this raises some questions;

- **What is Prayer-Walking?** - The answer is quite simple – walking and praying. When we prayer-walk we simply pray God's blessing upon the people and the places that we pass - each home, local business, school, pub, sports club etc. We just pray God's blessing upon them as we walk by.
- **Why do we prayer-walk?** - Because it is a way of releasing God's blessing, protection and peace in our local community. It is a great way to bring transformation by asking God to move in hearts and lives and homes.
- **Who can prayer-walk?** – Anyone who believes in God's love and power and who wants to release that in their community.
- **How will we do it?** – We will meet in each village church, then those who are able will go out in pairs to pray around the village (others can stay and pray in the church or join in at home).
- On the final day we will be joined by some young novices from the Community of the Tree of Life, Leicester.
- If anyone would like to offer hospitality in any of the villages – please get in touch.

DOGS ON THE PLAYING FIELD

Please can everyone remember that the playing field is out of bounds for dogs, and there is a big sign on the gate stating this fact. Today some children witnessed a dog attacking a bird and injuring it so it couldn't fly away, then continuing to attack it. The owner had already been told that dogs weren't allowed on the field, but chose to ignore this, and stood by as the bird got more injured. I don't think this sort of thing should happen.

Youth Club starts again in September after the summer holiday break. It is held on Thursday evenings from 18.45 – 20.45 at the Village Hall.

THE VILLAGE NEIGHBOURHOOD PLAN

***Open evening meeting on Tuesday September 17
in the White Hart from 5 - 9pm
to persuade you to “volunteer” to help***

At the original village planning open day and in the questionnaire, local villagers identified a range of changes they wanted to see. The Parish Council recognizes it has responsibility to drive this change, but is a very small committee and so needs your help. The things that people listed included

- sorting out parking in some areas of the village
- creating a new “green” space / village green /pocket park
- improving the village hall
- tidying up the village
- keep our present amenities eg allotments
- using our lovely church more often
- having better cycle and footpath linkages, and circular dog walking path around the village
- setting up more facilities targeted at certain groups eg teenagers, the elderly infirm etc
- setting up a network of people working from home
- supporting the farming community
- several environmental issues eg tree preservation order /reviews of biodiversity corridors

21 specific actions were identified – listed in the full document on the village website

**IF YOU INTERESTED IN HELPING
PLEASE COME AND FIND OUT / CALL IN AND HAVE A CHAT ?**

Please let me know if you are interested if you can't make that date
Nothing will happen unless people come forward to offer to get involved

Thank you
