

Demonstrating that you have had your Covid Vaccination

From 17 May 2021, people in England who have been fully vaccinated against COVID-19 can demonstrate their vaccination status for international travel. A full course is currently two doses of any approved vaccine. Vaccine status will be available from:

- the [NHS App](#) which you can download from app stores
- the [NHS website](#)

It may take more than a week for your identity to be checked and verified so you can use this service.

If you cannot access the online services, and you have had 2 vaccines, you can request a paper letter from the NHS by calling 119. Only call 119 if you are due to travel abroad in the near future and have had your second dose more than 5 working days ago. It may take 7 working days for the letter to arrive.

This practice is not able to provide you with a letter that shows your COVID-19 vaccination status.

When you're planning your travel, check the latest information on [demonstrating your COVID-19 status when travelling abroad](#) on the [gov.uk](#) website. Make sure there is time to get proof of your vaccination status before you leave.
