Home Office Essentials

PRODUCTS & SOLUTIONS

Working from home shouldn't compromise your employees' health. Many companies are cost sharing for simple and cost-effective home office furniture. We have in-stock ergonomic seating and sit/stand options suitable for home. We are here to help your staff stay strong and healthy in their office environment. Wherever that may be.

How ROI can help your at home workforce:

- Provide desk units with or without sit/stand capabilities
- Versatile storage units to maximize space
- Ergonomic seating & accessories to reduce fatigue/strain
- Many finish options to match everyone's style
- Affordable home installation with masks & gloves
- Home delivery and drop offs for self-installation
