BRG

OfficeMovers
WORKPLACE MOVING SOLUTIONS

Project Management | Moving Services | Installation | Warehousing

For over 75 years, BRG Office Movers has stood alongside people and businesses to make complex moving just plain simple. We remove the anxiety to provide you peace-of-mind. We know. We understand. We stand by you. Our personal workplace moving advisors are dedicated to delivering the best moving experience possible. We are more than just a moving company... we're your moving partner.

Whether you're moving an office, warehouse, lab or library, the task can be overwhelming and even frightening. You need more than just movers. This requires detailed knowledge, care and expertise to orchestrate such an undertaking. BRG Office Movers is your trusted workplace moving partner. We carefully and strategically plan your move, coordinate each step and guide you through the process. From space planning, labeling and asset management to computer disconnect/reconnect services and furniture installation, we can handle it all.

We'll make the complex simple, reduce the disruption time and provide the peace-of-mind you deserve.

Complex Moves Made Simple.

Our customized workplace moving services fit your needs

Project Management

Project planning is what we do best. Our Project Managers have seen it all—practically moved mountains—and we'll do the same for you. We have the talent, the resources and the refined processes to develop a workplace moving plan that perfectly fits your needs and budget.

Our moving specialists will work closely with you to understand your business and chart the most effective plan of action.

Services include:

- Planning and design
- Timeline development
- Pre-move planning meetings
- Labeling and ID system
- Vendor coordination
- On-site supervision
- Asset management, tracking and reporting
- Post-move services

Moving Services

We are your moving experts, yet our services expand way beyond just moving. In fact, BRG Office Movers has been known to do it all. While we move workplaces, big or small—across town, across country or across the hall—our workplace moving services are comprehensive and tailored to your needs. We've got you covered.

These include:

- Local and long distance office relocation
- On-site interdepartmental moving
- Electronic asset and computer moving
- Computer disconnect/reconnect services

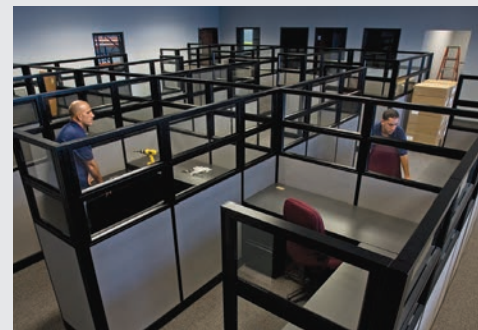

Installation

Moving and installation needs go hand in hand and we have years of experience to know just how to make this step of the workplace moving process go seamlessly. Our team of move experts will carefully and intuitively teardown and reconfigure your space with minimal disruption time.

We can provide:

- Space planning and reconfiguration
- Relocation of existing systems furniture
- Decommission/re-sale/recycle old furniture systems
- Product installation

Warehousing and Asset Management

BRG Office Movers offers a proprietary Warehouse Management System (WMS) with comprehensive and customizable product, equipment and furniture tracking capabilities. Our WMS program provides BRG Office Movers clients' with accurate, real-time information allowing them to manage their inventory more efficiently and at a lower cost.

Services include:

- Web-enabled visibility
- Barcode product tracking
- Customized reporting
- Digital imaging
- EDI/API integration
- Local/national distribution
