

Cookie policy – Appspotr AB

Cookies are small text files that are placed on your computer by websites that you visit. They are widely used in order to make websites work, or work more efficiently, as well as to provide information to the owner of the site. The table below explains the cookies we use on our website and their purpose.

Strictly Necessary Cookies

These cookies are necessary for our website to function. They are usually only set in response to actions made by you which amount to a request for services, such as setting your privacy preferences, logging in or filling in forms. These cookies do not store any personal data.

Cookie	Name	Purpose	Type & Expiry
Stripe user tracking	__stripe:mid	This cookie is used to remember a track the user in order to verify payment.	Third party, 1 year

Analytical Cookies

These cookies allow us (in an anonymously way) to count visits and traffic sources so we can measure and improve the performance of our website. This type of cookies is not strictly necessary but are aimed at providing you with the best user experience and telling us which pages you find most interesting.

Cookie	Name	Purpose	Type & Expiry
Google Analytics	_ga	<p>These cookies are used to collect information about how visitors use our website. We use the information to compile reports that helps us improve the website. The cookies collect information in a way that does not directly identify anyone. It includes the number of visitors to the website, pages they visited on the webpage and where visitors have come from.</p> <p>Read more about Google's overview of privacy and safeguarding data here.</p> <p>To opt out of being tracked by Google Analytics across all websites follow this link.</p>	Third party, 2 years

You can change your cookie preferences at any time by (...). You may need to refresh your page for your settings to take effect.

Also, most web browsers allow some control of most cookies through their browser settings. Find out how to manage cookies on popular browsers by following the links below:
