## Discussion:

### Let's Review Our Bible Lesson:

- What book of the Bible is our lesson from? (*Matthew*)
- What does it mean to have faith? (To trust in God)
- Jesus instructed his disciples to go and tell others about Him. What was this called? (*The Great Commission*)

**Ask:** Why is it important to have faith in God?

**Say:** *Exactly! Having faith means that you are trusting in God. Trusting in God is important because only God knows everything that is going to happen in life. And while we think we may know everything, only God truly knows everything! We need to have faith that He knows what is best for us and wait for His perfect timing!*

**Ask:** Why is the Great Commission necessary for growing the kingdom of God?

**Say:** *God calls all of us who believe in Him to share the Good News of the Gospel: God sent His son Jesus to die for our sins so we can spend forever with Him in Heaven. That's great news! Choosing to follow God is one of the best decisions a person could ever make, and we want to tell other people about God's love for them!*

**Ask:** What are some ways that you can tell others about Jesus this week?

**Say:** *I love those answers! Telling others about Jesus can be as simple as inviting a friend to church. You can talk to your friends about Jesus on the bus to school, at lunch, or at sporting events! There is never a bad time to tell someone about God.*

**Prayer:** *Dear God, thank You for sending Jesus, just as You promised. Thank You for trusting us with the important call of telling others about You. Help us be as brave as the disciples when we tell other people about Your love for them. We love You. AMEN.*
