

OUR MISSION

TEACHING CHILDREN TO LEARN IN QUALITY, BIRTH-5 CLASSROOMS, PREPARING THEM FOR INDEPENDENT, PRODUCTIVE LIVES.

WHAT WE STAND FOR OUR PHILOSOPHY

Unify expectations for high quality teaching and early learning

Support teachers and providers to reach expectations

Measure and recognize progress

Provide clear information and high quality choices to families

Early childhood education is important in so many ways. Much of a child's critical development takes place before they reach kindergarten. Our goal is to give each child every possible advantage so they can enter kindergarten well-prepared and ready to learn.
