## CLASS TIP

### Instructional Support:

#### Concept Development ☺

Plan activities where children have opportunities to classify and compare. For example, ask students the similarities and differences between lions and tigers, circles and triangles, etc.

#### Concept Development, Facilitation of Learning and Development, Quality of Feedback and Language Modeling ☺

While children are eating lunch, (depending on their age and readiness levels), either put index cards with conversation starters (open-ended questions) on the tables. For ex: "These peas are good. They grow in a garden like ours. What vegetables could we grow in our garden?"

## News & Dates

Reminder: Classes in GOLD and CLASS portal will be named in this manner: `firstname.lastname.ldoe.2021`. This name will remain with the original teacher's name even if the teacher changes.
