## RGA Day 2021

On June 27th 2020 Rhythmic Gymnastics Alberta held the first annual RGA Day, with the hope that in the years following this event would be an in person celebration of our community throughout the province. Due to the ongoing COVID-19 pandemic and current AHS guidelines we are unfortunately unable to host any in person events.

This year's RGA Day will be held virtually on Saturday June 26th with something for everyone - we will have sessions for athletes and coaches and social media events!

More information will be sent out in the coming weeks so keep your eyes peeled on your inbox!
