

Assisted Living Memory Care

At Wichita Presbyterian Manor, we understand that living with Alzheimer's or another form of dementia requires a flexible environment tailored to the individual. For this reason, our staff provides the compassionate care that your loved one needs, while preserving the sense of independence they may desire. Here, they'll enjoy a secure and welcoming environment that will continue to engage the mind through activities and social opportunities.

Specialized Residences and Services

Our new private memory care residences provide features such as architectural cues and specialized lighting, designed to enhance mobility and independence. Trained in advanced person-centered dementia care, our staff is ready to meet the needs of your loved one.
