Lent

We're now in the Lenten season. "Lent" means "spring season," a season of greater light, although it can also be interpreted as 40. It's a season of reflection and preparation before Easter. It commemorates Jesus' 40 days in the wilderness and His temptation by the devil. Many Christian traditions observe Lent.

It's good for our souls to take this time and really reflect and meditate before the Lord on our Christian lives. How are we doing? Where do we feel that we need to change and improve?

Praying and reading Scripture throughout this period is a good idea. Read again the Easter story from Jesus' entry into Jerusalem on Palm Sunday through His resurrection on Easter. Let the Word speak anew to you.

You may find fasting helpful to better concentrate on spiritual matters and to get your mind focused. Perhaps one fast day a week, or one meal a week, where you spend the eating time, praying.

With the ever-present noise of the world upon us, one cannot be too spiritual. Take this time to hear God and to overcome temptation.

Be Baptized

We'll be having a service of baptism on next Sunday, March 22nd. We're encouraging you to be baptized. When they asked Peter "What shall we do?", Peter answered: "Repent, and let each of you be baptized in the name of Jesus Christ for the forgiveness of your sins, and you shall receive the gift of the Holy Spirit" (Acts 2.38). Jesus Himself gave us the example, being baptized by John in the Jordan (Matt.3.13-17). It's not an option; it's a command (Matt.28.19).
