

People of PRAYER

MY HOUSE SHALL BE CALLED THE HOUSE OF PRAYER
PEOPLE OF PRAYER

We all need to be praying for God's mercy and favor over our nation right now. We need to "humble ourselves and pray and seek (His) face and turn from (our) wicked ways" so that God will hear us, forgive us and heal our land (2 Chron. 7.14).

We also need to pray for our church body as a whole and for the individuals among us who are facing their own trials.

- **Terri Pratter** ~ Keep Terri in your prayers as our Heavenly Father covers her with his comfort, peace and hope as she deals with the days ahead following her father's passing.
- **Betty Lowry** ~ spent time in ER this past week with nausea and low potassium; was very sick; home now but keep her in strong prayer.
- **Cathy Parry** ~ eyes to stabilize until she can get cataract surgery.
- **Bob Shelton** ~pray his good, heart health, while they are up here for the summer.
- Prayer for **Mike Monk** and **Wilda Disbro**, as they wait out this time to be baptized until we can return to our regular church services.
- **Kathy Copeland** ~ having shoulder pain and can't have surgery until the virus scare settles down.
- **Susanne Fleming** ~ who received special prayer and anointing this past week for God to heal her heart.
- Those NHCF people who are quarantined at home and do not have internet access, like the Damerons and Juanita Anderson.

KNOW THAT TRIBULATION BRINGS ABOUT PERSEVERANCE

April 26, 2020

We have been meeting in three small groups: one at Lee Copeland's (480-518-1178), one at Roger Brown's, 2:00 PM (520-241-4317), both on Sunday, and one at our church during the regular worship time at 10:30 on Sunday with Pastors Tom and Jim. You're welcome to attend any of these as you might feel comfortable.

"For indeed we have had good news preached to us, just as they also; but the word they heard did not profit them, because it was not united by faith in those who heard for we who have believed enter that rest.....Let us therefore, be diligent to enter that rest, lest anyone fall through following the same example of disobedience" (Hebrews. 4. 1-11).

Perseverance

Paul tells the church: "We exult in hope of the glory of God" (Rom.5.2b). And furthermore, this is how: by "exulting in our tribulations, knowing that tribulation brings about perseverance, and perseverance, proven character; and proven character hope; and hope does not disappoint, because the love of God had been poured out within our hearts through the Holy Spirit who was given to us" (5.3-5). It's good to remember this and claim it in the present time of trial.

Remember: "Christ in us, the hope of glory" (Col.1.27). We don't need a church building for that hope to enliven us and keep us. For nothing "shall be able to separate us from the love of God, which is in Christ Jesus our Lord" (Rom.8.39).

Yes, these present days are a burden. We want them to be over, but in the meantime time...."persevere" in the assured love and presence of God..

Life goes on. We are not dying in our tribulations. No. Rather, we are continuing to walk in faith, knowing the love of God, and the power of Jesus' resurrection, and the gift of the Holy Spirit, who is our "Helper."

Jesus said, "I will not leave you as orphans; I will come to you...because I live, you shall live also" (John 14.18,-19).

Because of these Scriptural truths, I believe that God will not only keep us, but He will bless us with a great revival this summer. I look forward to it, and I pray for it, and all of us together need to seek His face and bless His name. For our God is greater than all our tribulation, and He is able to bring about a greater good.

Reopening

The authorities over us are now saying that we're ready to "reopen" our economy. That's good news. The details are yet foggy, but we know that it will happen. Our part in this is to pray...pray always...and to encourage one another and to be alert to one another's needs. Remember: The New Testament church "had all things in common," and "they shared what they had." We are truly "bearing one another's burdens" (Gal. 6.2).

Stay Connected

***** Stay connected to your church *****

Call and text others; pray for one another, watch our YouTube channel, and please read your Bible every day. We need to know how you're doing and if you have any needs. If you are timid about communicating, call Pastors Tom or Jim. They listen and offer encouragement.

We're remembering to listen to God's Word in these days of testing, knowing that trusting in Him is above all the many words of men.

(Prov.3.5,6)

Please know that stopping by your church and praying on our front porch for the doors to soon be opening again to worship is a good thing. It boots our faith, and it honors our God, who called us to bring our concerns to Him.
