Freedom

Our freedom is too often taken for granted. Most of us have experienced years of being able to go where we want, do what we want, speak what we'd like, practice our religion, and succeed or fail on our own without interference. We forget that most of the world does not have this privilege.

Now, we've been brought up against a new tyranny that's got us confused and angered. After all, who would have believed that the authorities would have limited and controlled our assembling together, our speech, as it might be racist or disrespectful, our freely going and coming from place to place, and the abandonment of law and order in favor of anti-American actions?

Well, welcome to the real planet earth, where "the survival of the fittest" is the rule. The question for us is how do we handle this reality?

Jesus was pretty clear: "Love one another even as I have loved you" (John 13.34). He taught us "to love your enemies, pray for those who persecute you, in order that you may be sons of your Father who is in heaven..." (Matt.5.44,45). This is only possible when we are "in the Spirit," and unfortunately, most of the world is "in the devil."

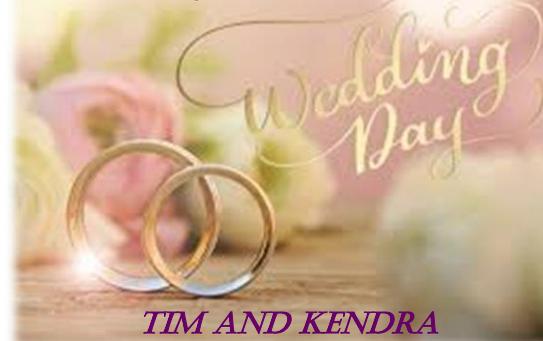

Key to our freedom and our survival as a Constitutional Republic is prayer.

Prayer is what brought our Pilgrim forefathers to and sustained them in the new world. Prayer is what kept our nation through the Revolutionary War, and prayer is what formed our state papers.

Prayer may not stop a bullet, but it will restrain a finger from pulling the trigger.

Be encouraged believer...we already have the victory in Jesus Christ. We already have the victory in our faith, our prayers, and in the Holy Spirit's presence to give us true freedom (1 Jn. 5.4).
