Perception Is Everything

It's finally not what's real, or even what's true, but how you perceive it that determines your response. That can be said of many things, but, in particular, it can be said of this virus scare.

Magicians play upon our perception to work illusions that mystify us. Politicians do the same. In fact, Joseph Goebbels, Hitler's henchman, said, "If you tell a lie big enough and keep repeating it, people will eventually come to believe it."

Jesus pointed out this failing of human perception when He said, "The Son of Man came eating and drinking, and they say, 'Behold, a gluttonous man, and a drunkard, a friend of tax-gatherers and sinners!' Yet, wisdom is vindicated by her deeds" (Matt. 11. 19).

Perception finally gets what it expects. What do you expect? What do you perceive to be really true?

The life of faith pays little attention to the perceptual field. For the most part "we walk by faith and not sight" (2 Cor.5.7). This means that while everyone around us is shouting "peace and safety," and trying to protect themselves from perceived dangers, the faithful are trusting God.

Such trust is not foolishness; it's spiritual perception which says, "For since in the wisdom of God the world through its wisdom did not come to know God, God was well-pleased through the foolishness of the message preached to save those who believed" (1 Cor.1.21).

Welcome Back to Pastor Tom and Margaret
 They had a good trip visiting their daughter and family in Draper, UT, and then the Lorenzes and John and Liz Prickett in Grand Junction, CO, and Harry and Kathy King in Montrose, CO. They all said, "Hello" to our New Hope people and wished us well. Pastor Tom, Margaret and Angie's family attended The Rock Church in Draper.

Transitional Housing
 God is blessing the Transitional Housing program. WMCAH has made an offer on a piece of property off of 27th Place, across from Hatch Motors. The owner countered, and it was beyond our means. However, in the interim funding has miraculously accumulated to where WMCAH can make a fair and reasonable offer. PTL! You may want to help with this effort. Please contact Lee Copeland or Roger Brown.

Our Faith is the Victory
 Today's insert of Tucker Carlson's interview with Pastor John MacArthur reminds us that things are not always what they seem, especially when the ruling authorities put their spin on current events. Best to put our faith before the stream of information coming to us from the media.

Be praying for our nation that we will return to God and His moral teachings, and that we'll not be deceived by the evil forces seeking to overcome us.
