Studio 1 - 775 m²

In studio 1 you can put almost anything. We give you 775 m² free space for any possible event you can imagine.

Size:	34,00 m × 23,00 m
Height Ceiling:	8,00 m
Height Light rig:	7,10 m
Gate Height:	3,45 m
Gate Width:	3,00 m

NEP Studios in Vermundsgade deliver a full facility house with multiple opportunities like green room, production offices, dressing- and makeup rooms, and all the preferable manpower you will need.

All our studios are air conditioned and Studio 1 has a walking bridge in the ceiling for light rig. Studio 1 has a concrete floor which can be painted if needed.

NEP offices are located right next to our studios. Which means, that we always are close to every production - ready to help and assist. We can also assist your needs for equipment. NEP Rental department is ready to complete your production.

Don't hesitate to [contact us](#) if you need a studio for your next event or production.
