Follow government guidance on riding/skating with others. **Keep two meters apart at all times.**

- Keep well within your ability, don't try difficult skills or ride too fast.
- Do not congregate with other people under any circumstances.
- Once you've finished your loop, or if you're waiting – make sure you take a break away from the finish and start areas, to ensure social distancing and give others a chance.
- Clean your equipment before & after.
- Try not to touch anything else.
- No physical contact - no hugs, high-fives, handshakes, etc. except with people in your own household.
- Do not share mobile devices, equipment, food or drink.
- Only use this outdoor facility if you are actively riding/skating.
- Leave as soon as possible after finishing.
- Wash your hands regularly, before leaving home and on returning home. Please bring hand sanitiser with you when visiting the facility.
- Please leave plenty of space and be considerate of other users, especially the younger or less experienced.
- Spectating is discouraged. Where attendance of a parent/guardian(non-participant) or a carer for a rider with a disability is required, social distancing should be strictly observed while watching the activity.
