Supporting Positive Behaviour

The school's Behaviour Management Policy is based on a model of Positive Behaviour Support. This is a model that acknowledges the positive behaviour of the majority of students, and puts strategies into place to model and specifically teach expected behaviours. It targets focused support, including staged sanctions, for the minority of students that do not embrace positive behaviour.

Breach of the Student Code of Conduct

Students who breach this code of conduct may be sanctioned by the class teacher or school principal as deemed appropriate given the nature of breach and the age of the student.

In cases of serious and/or persistent breaches of the student code of conduct, the Mercy College Behaviour Management Policy outlines the consequences for student misbehaviour and the management of suspension and expulsion if matters come to those extremes.

In accordance with applicable legislation and the school's Child Safety Policy, the police and/or 'Families and Children's Services' within the Department of Families, Fairness and Housing (DFFH) will be informed of any unlawful breaches of this code.
