

STAY SAFE

Know Before You Go

As we begin to reopen, we are keeping several of our COVID-19 policies in place for the continued health and safety of our residents and employees.

Before you visit us, here are a few things you should know:

UPON ARRIVAL

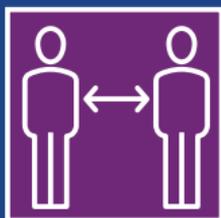

Expect to be screened

Wash your hands or use alcohol gel

Limit touched surfaces

Practice social distancing

Wear a face mask

DO NOT VISIT IF:

-  You have a fever.
-  You have any symptoms of COVID-19.
-  You have been exposed to an infected person in the past 14 days.
-  Your visit can be postponed.
-  You're unable to practice proper infection control.

Call to schedule your visit. The campus may limit number of visitors and set time parameters.

Symptoms of Coronavirus

What you need to know

- Anyone can have mild to severe symptoms.
- Older adults and people who have severe underlying medical conditions like heart or lung disease or diabetes seem to be at higher risk for developing more serious complications from COVID-19 illness.

Watch for symptoms

People with COVID-19 have had a wide range of symptoms reported – ranging from mild symptoms to severe illness.

Symptoms may appear 2-14 days after exposure to the virus. People with these symptoms may have COVID-19:

- Fever or chills
- Cough
- Shortness of breath or difficulty breathing
- Fatigue
- Muscle or body aches
- Headache
- New loss of taste or smell
- Sore throat
- Congestion or runny nose
- Nausea or vomiting
- Diarrhea

This list does not include all possible symptoms. CDC will continue to update this list as we learn more about COVID-19.

When to Seek Emergency Medical Attention

Look for emergency warning signs* for COVID-19. If someone is showing any of these signs, seek emergency medical care immediately:

- Trouble breathing
- Persistent pain or pressure in the chest
- New confusion
- Inability to wake or stay awake
- Bluish lips or face

Call 911 or call ahead to your local emergency facility:

Notify the operator that you are seeking care for someone who has or may have COVID-19.

**This list is not all possible symptoms. Please call your medical provider for any other symptoms that are severe or concerning to you.*
