

Restricted Access

CDC and CMS guidelines still recommend restricting access to this community.

▶ Limited Visitors

- Check-in required for all campus visitors
- Compassionate care and end of life visitation only
- Essential healthcare associates and providers only

▶ Mandatory Masking

- Residents encouraged to wear masks
- Visitors required to wear provided masks
- Other personal protective equipment available for use as required

▶ Social Distancing Required

- No hugging, kissing or handshaking – and remain 6 feet apart
- Limited communal dining with social distancing
- Limited group activities with no more than 10 residents

▶ Monitoring Health & Hygiene

- Routine signs and symptoms checks on staff and residents
- Avoid touching eyes, nose and mouth
- Screening upon re-entering the community per CDC, state and local guidance
- Handwashing/alcohol gel use required

▶ Careful Movement

- Common areas and amenities remain closed
- Limit common surfaces touched
- Essential physician appointments/transportation only

We are in PHASE I of reopening our community. During this phase, access is restricted to protect you, our residents, and our employees. Please communicate with your family members via telephone, video chat, or email, or contact life enrichment to schedule a window visit.

STAY SAFE
