

We want you to grow with us

Hello! Would you like to join a startup where your passion and creativity will matter more than your title or tenure? A place where everyone communicates at eye-level? An environment where sharing is the focus above all? LivingPackets might be the place for you.

Since 2016, we've been developing the most advanced, smart, secure, and sustainable packaging solution ever: THE BOX. Robust and reusable, with a whole range of services and systems supporting it, we believe it will change the e-commerce industry. Having grown from a small research group in France to an international team of over a hundred brilliant, passionate, and creative minds, we are now very close to our next goal: mass production. We want to reinvent packaging and logistics, and reimagine the e-commerce industry. We want to drive the world towards a fairer, circular profit-sharing economy. Will you join us?
