

COVID-19 RESPONSE

Through times of economic growth and hardship, Pinnacol has protected Colorado businesses and their hardworking employees for over 100 years.

The impact of COVID-19 is unprecedented and unique in numerous ways, but our community has persevered through other crises, and we'll get through this one too.

Here's what we're doing to support our customers and communities the best we can.

COVERING OUR CUSTOMERS

POLICY FLEXIBILITY

- Paused over 4000 policies from being canceled from March through October 2020
- Proactive customer outreach to update business payrolls — potentially lowering policy costs
- Wage replacement for quarantined first responders and health care employees
- No premium charges for paid employees who are not working
- Covering COVID-19 testing costs for employees exposed on the job

SAFETY AND COVID-19 RESOURCES

- Dedicated COVID-19 online resources, including expert safety tips and business regulation guides
- Virtual safety visits

ACCOUNT ACCESS MADE EASY

- Online portal for 24/7 digital account access and management
- Continued seamless remote service for customers and partners

CARING FOR COLORADO

\$2.5 MILLION DONATED TO COMMUNITY FUNDS

- \$1M to Help Colorado Now
- \$600K to Energize Colorado Gap Fund
- \$250K to Denver Small Business Relief Fund
- \$250K to Downtown Colorado Springs Business Relief Fund
- \$125K to Greeley Recovery Fund
- \$125K to Restaurant Association Angel Fund
- \$75K to Grand Junction COVID-19 Responders Loan Fund

FREE SAFETY RESOURCES FOR BUSINESSES

- Free virtual safety consultations for ALL Colorado businesses
- Dedicated COVID-19 online resources, including expert safety tips and business regulation guides
