## Message

Today we gather as this community of faith to give thanks to God for the ministry of the Rev'd Dr Dale Williamson, as we mark Dale's retirement from stipendiary ministry. I am thankful that although we need to meet across two services today rather than the planned combined service, we still have the opportunity to meet in person. The liturgy today helps us to recognise the gifts, energy, leadership and ministry that Dale has offered as Vicar, and also to allow us all to mark the change in relationship as Dale moves into retirement. The liturgy speaks of thanksgiving and release that allows both Dale and parishioners to celebrate what has been and move forward with thanksgiving.

I am very glad to be able to join with you today and bring the greetings of the whole Diocese of Waiapu as we share in these special services.

Eternal and everliving God, our beginning and our end, you give us strength in the face of suffering and death. Set our minds on divine, not worldly things. Give us courage to take up our cross and follow you. Help us to trust and live in the power of the resurrection of Jesus. Through Jesus Christ our Liberator, who is alive and reigns with you, in the unity of the Holy Spirit, one God, now and forever, Amen.
