Message

As people with eternity in our hearts (Ecclesiastes 3:11), we value the past without being bound to it, and anticipate the future without being driven by it... but we are only able to live in the present; in the now.

How many people, opportunities and possibilities have we missed

because we were not present, whether in a relationship, a task or a conversation.

As Barry McGuire put it in one of his songs, “worried about the future, holding on to the past, we miss the magic moment of today”.

As the parade of life passes by, are we here noticing and experiencing it, or are you waiting for it to pass... and taking photos to remind us of the moments we missed...

Sermon: Rev'd Nigel Dixon

Collect for the day

Healing God,
you are life and wholeness.
Transform our brokenness
by your life-giving love,
and deepen our faith.

Through Jesus Christ our Liberator, who is alive and reigns with you,
in the unity of the Holy Spirit, one God, now and for ever.

Amen
