Message

Welcome everyone.

Thanks to all the people who have helped make our arrival so much easier – we have felt welcomed and supported. Our house is starting to feel like a home and we are enjoying walking the city and meeting you all.

Welcome and hospitality are crucial in any community. Our impressions of people, a place, are profoundly shaped by whether we felt welcomed/wanted. This is more about how we are made to feel than a process of doing the right things – everyone of us helps with adding a layer upon layer of acceptance and inclusion in family.

The age structure of our community means that we must work especially hard to welcome and support families. We will be working at setting up a kids' program for the new school term, but every one of us needs to have a 'bias' towards the young – Jesus did. So let's make every child and parent feel they have a doting extended family!

May we journey well together
Grace and peace
Nigel

Collect for the day

Caring God,
you equip us with all we truly need
in the business of our daily lives.
Turn us to you in prayer that we might
trust in your provision,
and hold only to those things that give us life.
Through Jesus Christ our Liberator,
who is alive and reigns with you,
in the unity of the Holy Spirit, one God, now and for ever.

Amen
