

## THERE IS *NOTHING* LIKE A GOOD CHALLENGE ...

Covid-19 has certainly presented more challenges than we had ever imagined! Here at St. Walter School, we have faced those challenges, and with God's help are overcoming them every day. We have been in school safely since August, our faculty and students are working hard, and we are continuing to deliver the same high quality, faith-based education that you remember from your time at St. Walter.

One of the biggest challenges that Covid-19 has presented to our school is the need for tuition assistance. As you know, St. Walter Parish supports our school with a subsidy each year. Together with tuition, that subsidy helps to make ends meet. The challenge many of our families are facing is that Covid has put a significant strain on their finances. Some of our families are struggling to keep up tuition payments and are seeking assistance. These families believe strongly in Catholic Education and want their children to grow in both knowledge and faith. But, they need your help to continue to do that.

One of our most loyal and generous benefactors has pledged to match your contribution up to \$25,000. Simply stated, your donation will double! \$100 becomes \$200, \$50 becomes \$100, \$25 becomes \$50. Consider donating \$1.00 for every year since you have graduated. NO dollar amount is too small.

No matter where life has taken you since the day you graduated from St. Walter -no matter if that was in the 1950s or just recently – you are and will always be a member of the St. Walter School Family. You are united with all other graduates and current students by memories, traditions, and an ongoing strong belief in the Catholic Values that form our mission.

Please consider donating to the Annual Fund, doubling your donation, and helping current students to continue learning and growing in the safe, nurturing, and faith-enriching environment that we provide at St. Walter.

### How can I donate?
