Meet Diane, MaryAnn, Antonia, Stacy, and Krystal, these are the residents at our Bridgeview group home. Here, they live in the community, attend the CSS Day Program, and maintain healthy living habits.

This year's project will provide new furniture for the Bridgeview Group Home, their forever home. After years of use, they wish for a new sofa, two chairs, two side tables, and an outdoor furniture set to enjoy this summer.

Donations from people like you are important because the contracts CSS receives from the state does not provide any money for necessary home improvements. As you can see from the pictures, the Bridgeview living room furniture is very worn out. There is only an old sofa and one small, stained chair. **They have asked for the update so that they can all sit together.**

Gifts at the levels above are needed to accomplish this project.

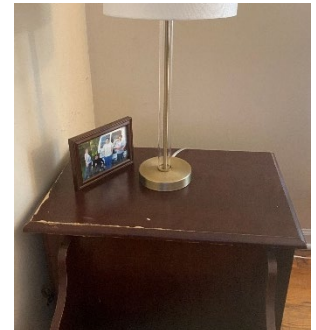

THE CSS BRIDGEVIEW RESIDENTS NEED YOUR HELP! PLEASE DONATE TODAY!

The sofa is not large enough for all five residents. It is old and worn.

The Bridgeview residents: Diane, MaryAnn, Antonia, Stacy (Krystal is not pictured).

The side table is worn out and scratched.

A close-up of the old sofa.

There is just one un-matched, stained chair.

The residents would like outdoor furniture for summer months.

WITH YOUR HELP, WE CAN PROVIDE NEW FURNITURE TO THEM TO ENJOY THIS SUMMER.

Please donate by June 15, 2021. Visit www.CSSservices.org/donate
