## Hoffman Estates “On Demand” Bus Service

Have you tried Pace’s new “On Demand” bus service? Hoffman Estates On Demand is a new bus service offered by Pace, which covers a large portion of the Village south of the Jane Addams Memorial Tollway (I-90). Pace operates this service on weekdays from 9 a.m. to 3 p.m.

On Demand is like a Dial-a-Ride in that it works on a reservation basis and provides curb-to-curb trips within the service area, including the new Barrington Road transit station on I-90. However, unlike most Dial-a-Rides, On Demand is available to the general public. This means you do not have to meet any qualifications to use it. Plus, all Pace vehicles are wheelchair accessible.

Rides can be reserved by calling

\_\_\_\_\_ 224-323-2998

or by visiting [www.pacebus.com/ondemand](http://www.pacebus.com/ondemand)

Reservations can be made as little as one hour in advance or up to one day ahead of time.

The fare is \$2 per one-way trip when using your Ventra card or \$2.25 cash using exact change.

Give On Demand a try to see how it can help with your travel needs. For more information, call the Transportation and Engineering Division.

## Volunteering

Volunteering is a great way for seniors to give their time to help others in their community. There are many organizations in need of help. Volunteers build a bridge that connects them with others which can be rewarding and fulfilling. Individuals who volunteer can experience improved health and increased energy by being active in their community. Volunteering not only shows a commitment to others, but allows individuals to feel a connection to the community and make new friends. Please consider giving your time and contacting HANDS ON, an organization that places volunteers in our area. They will gladly answer questions and share information on places that need help in your area.

## Veterans Honor Flight Chicago

A nonprofit that has flown more than 8,000 World War II and Korean War veterans to Washington, D.C., over the past 11 years, has decided to begin accepting veterans of the Vietnam War era.

The organization, one of many across the country, will begin including Vietnam-era veterans in April on their first flight of the 2019 season, according to a news release.

“This is a milestone moment in the history of our organization,” said Mary Pettinato, CEO and co-founder of Honor Flight Chicago. “More importantly, it’s our time to recognize and thank these too-long disrespected heroes who served during one of the most difficult times in America’s history.”

Honor Flight Chicago flies veterans to see the memorials in Washington six times a year and has around 100 veterans on each flight.

During the day long trip veterans visit war and military branch memorials as well as the Smithsonian National Air and Space Museum’s Udvar-Hazy Center, which houses the Enola Gay, according to Honor Flight Chicago’s website. They also experience a special ceremony of thanks at the World War II memorial and get to open dozens of letters thanking them for their service on their flight back home.

Honor Flight Lake County, which organized three trips in 2018, has already been accepting applications from Vietnam War-era veterans for a couple of years. However, World War II veterans supersede all other applicants, according to the group’s website.

“I’m honored and so pleased that we have an active Commission for Senior Citizens in the Village of Hoffman Estates. This wonderful group provides a host of activities and programs to not only engage our seniors but to also provide an important layer of connectedness that many seniors miss out on. I thank Lillian Clinton, Chair of the Commission, and her team for such a beautiful service to our community.”
