

OUR REFERRAL PROMISE

A PARTNERSHIP IN DENTAL CARE

At Brookfield, we are committed to looking after your patient.

For every referral we will:

- Contact your patient without delay and see them at their earliest convenience.
- Explain the treatment and costs to them with complete transparency.
- Put your patient at ease. Our experienced support staff will look after them throughout their treatment.
- Deliver their treatment safely and efficiently with your patient's well-being as our top priority.
- Liase with you for the whole patient journey including any aftercare.

Rest assured, your patient will remain your patient.

Our reception team will keep you informed of your patient's care at Brookfield and are happy to discuss any aspect of the referral process with you.
