FirstStepRecoveryOhio

**First Step Recovery and Travco Behavioral Health honor all paths to recovery from drug and alcohol addiction, as well as mental health disorders, by taking a holistic, patient-centered approach to care.**

**First Step Recovery** is a medically licensed, subacute inpatient detox and drug/alcohol addiction treatment center that provides highly-effective, evidence-based treatment. We are respected as one of the leading recovery centers in northeastern Ohio, and one of the top in the state. Services include inpatient detox, residential and extended care programming, intensive outpatient and aftercare, as well as psychoeducation, holistic life skills and peer support. First Step Recovery is medically licensed and our treatments are medically safe.

**Travco Behavioral Health** is a premier mental health and addiction treatment center that provides lasting healing outcomes for patients of all ages and their families who are affected by mental health issues and the disease of addiction. Travco's evidence-based, medically safe services include Medication-Assisted Treatment like Suboxone and Vivitrol (for substance abuse) and Spravato (for depression).

Our management, staff and medical team—which includes board-certified physicians, registered nurses, licensed practical nurses, counselors and medical assistants—provide expert care that promotes our clients' success in achieving lifelong recovery.

- First Step Recovery and Travco Behavioral Health welcome all Ohio residents.
- First Step Recovery accepts private insurance, Medicaid and self-payment.
- Travco Behavioral Health accepts Medicare, Medicaid and most private insurances.
- First Step Recovery and Travco Behavioral Health are accredited by the Ohio Department of Mental Health and Addiction Services (OhioMHAS) and the Commission on Accreditation of Rehabilitation Facilities (CARF).

***We are here to be a constant beacon of light and hope for persons seeking recovery from chemical/alcohol dependency, and emotional or behavioral issues.***

## SOME OF THE WAYS IN WHICH WE CARE MORE

We believe that every person is worthy of recovery, and deserves to get help from compassionate professionals. Our approach is highly personalized.

*Our practice areas are innovative and we consistently focus on programs and resources and will improve client care.*

We are blessed to have a strong leadership team that stands behind one another.

*We focus on educating and helping clients develop essential life skills so the changes they are courageously making are long lasting.*

Our facilities are peaceful, clean, private, spacious and safe. We tend to details like beds and flat-screen TVs in each detox room, nutritious food, a modern gym and more.

*We think of our clients as part of our family. Our master-level counselors and staff are caring, accepting and nurturing. Some are in recovery themselves, so they've walked the path.*

Our modern supportive housing units provide the comforts of home in a private setting for extended assistance in recovery.

*We do everything in our power to help our clients successfully reconnect with the world, maintain positive coping strategies and stay sober long term.*

Our core values are integrity, honesty, trustworthiness, compassion, client safety and human dignity.

*We help our clients cast a vision of what their lives can look, feel and be like beyond their time with us.*
