

MAISON & OBJET - PARIS, VILLEPINTE
hall 6 stand i 149

Cruso is a Belgian manufacturer that offers furniture created by **talented international designers, sustainably produced** and at a **fair price**. Cruso will be presenting **2 new collaborations** at Maison & Objet 2020.

NOTES is a collection of **shelves** and **trays** designed by **Julien Renault**. He is a french industrial designer based in Brussels. He worked on **Cruso's scenography**, brings his **pure photography style** and his eye for detail. It is naturally that he now presents new products with Cruso. The **NOTES shelves** is an invitation to play with **compositions** by creating a rythm on a wall thanks to the different lengths of boards and their characteristic shape.

SPRINGBACK is the ensemble of a **lounge chair** and **coffee table** designed by **Keiji Takeuchi**, japanese industrial designer based in Milan. The chair is **robust**, comfortable and welcoming. With a wooden seat and backrest fixed on a **flat packing** steel structure, **SPRINGBACK** is a simple and clever furniture piece.
