- (1) Unit Type "A1": Two (2) one-story, two (2) bedroom, two (2) bath Units of approximately 1,517 square feet of living area, with each Unit containing a garage of approximately 250 square feet and Limited Common Element storage closet, screened patio and covered entrance of approximately 48 square feet, 228 square feet, and 83 square feet, respectively.
- (2) Unit Type "B": Two (2) two-story, three (3) bedroom, three (3) bath Units of approximately 1,966 square feet of living area, with each Unit containing a garage of approximately 245 square feet and Limited Common Element, screened patio and covered entrance of approximately 228 square feet and 41 square feet, respectively.
- (3) Unit Type "C": Two (2) two-story, three (3) bedroom, three and one-half (3 1/2) bath Units of approximately 2,122 square feet of living area, with each Unit containing a garage of approximately 471 square feet and Limited Common Element, screened patio and covered entrance of approximately 128 square feet and 108 square feet, respectively.

The Condominium will also include six (6) driveways and garages for each Building, as shown on Exhibit B of this Declaration. The driveways will be Limited Common Elements and each Condominium Unit Owner shall have the exclusive right to use the driveway and garage labeled with the same Unit number as the Unit acquired by the Unit Owner (as shown on the Graphic Description and Plot Plan attached to this Declaration as Exhibit B), subject to the easement set forth in Paragraph 6(h) of this Declaration. The Condominium will also include regular and handicap uncovered parking spaces, which shall be deemed Common Elements. The regular and handicap uncovered parking spaces are depicted on the Survey, Graphic Description and Plot Plan attached as Exhibit B to this Declaration.

The land upon which the Condominium is located is legally described on Exhibit A to this Declaration. The Graphic Description and Plot Plan for the Condominium identifying the Units are located on Exhibit B to this Declaration. The estimated latest date of completion of constructing, finishing and equipping the Condominium Property is March 31, 2008.

(b) Recreational and Other Commonly Used Facilities. The approximate location of the recreational and other commonly used facilities intended to be constructed is indicated on the Survey, Graphic Description, and Plot Plan contained herein as Exhibit B and shall be located on the lands legally described in Exhibit A attached hereto.

The Developer reserves the right to add additional recreational and other commonly used facilities to the Condominium without the consent of the Unit Owners or the Association, but is not obligated to add same. If facilities are added by the Developer to the Condominium, the Common Expenses of the Association and the Unit Owner's maintenance expense may increase.

Such recreational and other common facilities that may be added shall be whatever facilities Developer, in its sole discretion, deems necessary or desirable in connection with developing the Condominium.

The Unit Owners shall have an obligation to contribute to the payment of expenses for maintenance, repair, replacement and insurance for such recreational and other commonly used facilities constructed as a part of the Condominium, based on each Unit Owner's undivided percentage share in the Common Expenses as set forth in Paragraph 9 of this Declaration. Each Unit Owner's undivided percentage share in the Common Expenses is computed based upon the ratio of one over the total number of all Units in the Condominium. There is a lien right against each Unit to secure the payment of assessments coming due for the use, maintenance, upkeep or repair of the recreational or commonly used facilities. The Unit Owner's failure to make these payments may result in foreclosure of the lien.

4. UNIT IDENTIFICATION. The location of the Condominium Units on the Condominium Property submitted to the Condominium Form of Ownership is set forth on the Survey, Graphic Description and Plot Plan attached hereto and made a part hereof as Exhibit B. Each Condominium Unit is described on said Survey, Graphic Description and Plot Plan in such manner that there can be determined therefrom the identification, location, dimensions and size of each as well as the Common Elements and Limited Common Elements, if any, appurtenant thereto. Each Condominium Unit is identified by a letter and/or number as shown on the Survey, Graphic Description and Plot Plan attached hereto as Exhibit B and made a part hereof, so that no such Condominium Unit bears the same designation as any other such Condominium Unit.

5. CHANGE IN PLANS AND SPECIFICATIONS. The Developer is hereby authorized to make changes in the plans and specifications and construction methods and materials during the construction of improvements on said Property, so long as such changes do not conflict with the Condominium Act. Each Unit Owner, by acceptance of a deed or other conveyance of a Unit, understands and agrees that there are numerous methods for calculating the square footage of a Unit, and that depending on the method of calculation, the square footage of the Unit may vary. Additionally, as a result of in the field construction, other permitted changes to the construction of Unit, and settling and shifting of improvements, actual square footage of a Unit may also be affected. By accepting title to a Unit, the applicable Unit Owner(s) shall be deemed to have conclusively agreed to accept the size and dimensions of the Unit, regardless of any variances in the square footage from that which may have been disclosed at any time prior to closing, whether included as part of Developer's promotional materials or otherwise. Without limiting the generality of the foregoing, Developer does not make any representation or warranty as to the actual size, dimensions (including ceiling heights) or square footage of any Unit, and each Unit Owner shall be deemed to have fully waived and released any such warranty.

6. EASEMENTS AND RIGHTS OF ACCESS. Each of the following easements is a covenant running with the land of the Condominium and, notwithstanding any of the other provisions of this Declaration, may not be substantially amended or revoked in such a way as to unreasonably interfere with their proper and intended uses and purposes, and each shall survive the termination of the Condominium. The following easements are in addition to any easements created under the Condominium Act and any other easements affecting the Condominium Property and recorded in the public records of Clay County, Florida.

(a) Utility Services. Easements as may be required for utility services in order to adequately serve the Condominium Property or any Condominium Unit, Limited Common Element or Common Element, including, but not limited to, electricity, gas, telephones, security, sewer, water, lighting, dryer ducts and vents, irrigation, drainage, television antenna and cable television facilities and any electronic security facilities. However, easements through a Condominium Unit shall be only according to the plans and specifications for the Building containing the Condominium Unit or as the Building is actually constructed, or reconstructed, unless approved in writing by the Owner. A Unit Owner shall do nothing within or outside his or her Condominium Unit that interferes with or impairs the utility services using these easements. The Association shall have a right of access to each Condominium Unit and the improvements constructed thereon when necessary for the maintenance, repair or replacement of any Common Elements (which include Limited Common Elements) or for making emergency repairs which are necessary to prevent damage to the Common Elements (which include Limited Common Elements) or to another Condominium Unit or Condominium Units; provided, however, such right of access shall not be deemed to be an easement and shall not unreasonably interfere with the Unit Owner's permitted use of the Condominium Unit and, except in the event of an emergency, entry into any Condominium Unit shall be made on reasonable notice to the Unit Owner.

(b) Easement of Support. Every portion of a Condominium Unit contributing to the support of a Building or an adjacent Condominium Unit shall be burdened with an easement of support for the benefit of all Condominium Units in the Building.

(c) Use of Common Elements. The Common Elements shall be, and the same are hereby declared to be, subject to a perpetual non-exclusive easement in favor of all of the Unit Owners and residents of the Condominium, and their guests and invitees, for all proper and normal purposes and for the furnishing of services and facilities for which the same are reasonably intended.

(d) Encroachments. If any portion of the Common Elements or Limited Common Elements encroaches upon any Condominium Unit; if any Condominium Unit encroaches upon any other Condominium Unit or upon any portion of the Common Elements or Limited Common Elements; or if any encroachment shall hereafter occur as a result of (i) construction or reconstruction of any improvement; (ii) settling or shifting of any improvements; (iii) any addition, alteration or repair to the Common Elements or Limited Common Elements made by or with the consent of the Association; or (iv) any repair or restoration of any improvements (or any portion thereof) or any Condominium Unit after damage by fire or other casualty or any taking by condemnation or eminent domain proceedings of all or any portion of any Condominium Unit or the Common Elements or Limited Common Elements, then, in any such event, a valid easement shall exist for such encroachment and for the maintenance of the same so long as the improvements shall stand. Such easements shall exist to a distance of not more than three feet as measured from any common boundary between adjacent Condominium Units and between each Condominium Unit and any adjacent Common Element along a line perpendicular to such boundaries at such points. Any such easement for encroachment shall include an easement for the maintenance and use of encroaching improvements in favor of each of the Unit Owners and their respective designees.

(e) Overhanging Troughs and Gutters. There shall be easements for overhanging troughs or gutters, downspouts and the discharge therefrom of rainwater and the subsequent flow thereof over the Condominium Units and the Condominium Property.

(f) Natural Growth. There shall be easements for overhanging natural growth of trees and shrubbery over the Condominium Units, the Limited Common Elements and the Common Elements.

(g) Restrictions, Reservations and Easements of Record. The creation of this Condominium is subject to restrictions, reservations and easements which have been placed of record prior to the formation and filing hereof.

(h) Pedestrian and Vehicular Traffic. Easements for pedestrian traffic over, through and across sidewalks, driveways and garages, paths, lanes and walks as the same may from time to time exist upon the Common Elements and the Limited Common Elements, including but not limited to the driveways and garages; and for vehicular traffic and parking over, through, across and upon such portions of the Common Elements as may from time to time be paved and intended for such purposes, same being for the use and benefit of the Association and the Unit Owners and residents of the Condominium and their employees, guests and invitees.

(i) Developer's Ingress and Egress and Utility Purposes. In addition to the foregoing, the Developer for itself, its successors, assigns, agents and employees, including, without limitation, any person residing within the Condominium Property, their guests and invitees, their mortgagees, successors and assigns, expressly reserves an easement for ingress and egress and utility purposes over and across all roads existing from time to time within the Condominium Property, if such property is submitted to the Condominium Form of Ownership.

(j) Warranty. For as long as Developer remains liable under any warranty for acts or omissions of Developer in the development, construction, sale and marketing of the Condominium, then Developer and its contractors, subcontractors, agents and designees shall have the right, in Developer's sole discretion and from time to time, to enter the Building, Common Elements, Limited Common Elements, the Units and the Association Property for the purpose of making any necessary inspections, tests, repairs, improvements and/or replacements required for the Developer to fulfill any of its obligations, including without limitation, warranty obligations. Failure of the Association or any Unit Owner to grant such access may result in the appropriate warranty being nullified and being of no further force or effect. Nothing herein shall be deemed or construed as the Developer making or offering any warranty, all of which are disclaimed (except to the extent the same may not be) as set forth in Paragraph 35 hereof.

(k) Grant of Additional Easements, Modifications and Termination. The Association shall have the right to (i) grant and declare additional easements over, upon, under and/or across the Common Elements in favor of the Unit Owners and residents of the Condominium and their guests and invitees, or in favor of any other person, entity, public or quasi-public authority or utility company, or (ii) modify, relocate, abandon or terminate existing easements within or outside of the Condominium in favor of the Association and/or the Unit Owners and residents of the Condominium and their guests and invitees or in favor of any person, entity, public or quasi-public authority, or utility company, as the Association may deem desirable for the proper operation and maintenance of the Condominium, or any portion thereof,

or for the health, safety or welfare of the Unit Owners, or for any other reason or purpose. So long as such additional easements, or the modification, relocation or abandonment of existing easements will not unreasonably and adversely interfere with the use of Condominium Units for dwelling purposes, no joinder of any Unit Owner or any mortgagee of any Condominium Unit shall be required or, if same would unreasonably and adversely interfere with the use of any Condominium Unit for dwelling purposes, only the joinder of the Unit Owners and mortgagees of Condominium Units so affected shall be required. To the extent required, all Unit Owners hereby irrevocably appoint the Association as their attorney-in-fact for the foregoing purposes.

(l) Construction. The Developer (including its designees, contractors, successors and assigns) shall have the right, in its and their sole discretion from time to time, to enter the Condominium Property and Building and take all other action necessary or convenient for the purpose of completing the construction thereof, or any part thereof, or any Improvements or Units located or to be located thereon or upon the Association Property, provided such activity does not prevent or unreasonably interfere, in the sole opinion of the Developer, with the use or enjoyment by the Owners of the Condominium Property. The Developer's use of the Condominium Property or any portion thereof, pursuant to the easement created in this Paragraph shall include, but not be limited to, active construction activities, staging and all activities directly or indirectly related to the construction process, such as, but not limited to, stacking and storage of materials and supplies, scaffolding, maintenance and placement of construction trailers and equipment.

Additionally, the Association shall have a perpetual non-exclusive easement for drainage over the entire Surface Water or Stormwater Management System. No person shall alter the drainage flow of the Surface Water or Stormwater Management System, including buffer areas or swales, without the prior written approval of the St. Johns River Water Management District.

(o) Telecommunications Easement. Subject to the rights of the declarant pursuant to the Master Declaration, the Developer hereby reserves the exclusive (to the extent permitted by law) and perpetual right and easement (but not the obligation) to install, provide, repair, operate, replace, expand, remove, relocate and maintain (and solicit customers for) in the Condominium, and within all Units and Common Elements therein, any or all present or future systems and equipment which are or may be developed for the purposes of: (i) transmitting a pay television picture, whether transmitted by cable, fiber optics, over the air, satellite, or any other means which may become technologically feasible in the future (including, without limitation,

The Unit Owners, by acceptance of the deed to their Unit, hereby acknowledge and agree that the easement created in this Section 7 is a reservation of rights to the Developer, and that no fees, consideration or other amounts shall ever be paid to, or otherwise ever accrue in favor of, the Association or the Unit Owners with respect to the use of the easement rights. Such exclusive and perpetual rights shall include, without limitation, Developer's right to select and contract (on behalf of the Association), at Developer's sole discretion, with companies or persons licensed to provide the foregoing services to the Condominium for a reasonable fee not to exceed the maximum allowable charge for such service, as such from time to time is defined by the laws, rules and regulations of the relevant government or quasi-governmental authority, if applicable. In furtherance of the foregoing, the Association may enter into a bulk rate service agreement for the provision of the foregoing services and Systems to all Units and the Common Elements. The Association's expenses in this regard shall be a Common Expense. If particular services or benefits are provided to particular Owners, the benefited Owner(s) shall pay the service provider directly for such services.

All wires, cables and equipment comprising such Systems and any revenues or profits derived therefrom shall be and remain the exclusive property of the Developer, its successors and/or assigns. Developer may, in its sole discretion, remove and/or relocate the wires, cables and equipment comprising such Systems. The Association and each Unit Owner does hereby further give and grant to the Developer, and the Developer does hereby reserve unto itself such perpetual easements over, under, through and across the Condominium Property as may be necessary, from time to time, to install, repair, replace and maintain such Systems. Developer further reserves the right to assign on an exclusive or non-exclusive basis, lease, transfer, license and/or convey the exclusive rights, privileges and easements herein reserved. All of the rights reserved to Developer under this Section exist without any requirement of the Developer to pay any fee(s) or other consideration of any kind to the Association or any Unit Owner.

NEITHER THE DEVELOPER, THE ASSOCIATION NOR ANY OF THEIR OFFICERS, DIRECTORS, COMMITTEE MEMBERS, EMPLOYEES, MANAGEMENT AGENTS, CONTRACTORS OR SUBCONTRACTORS (COLLECTIVELY, THE "LISTED PARTIES") SHALL BE LIABLE OR RESPONSIBLE FOR ANY MATTER CONCERNING THE TRANSMISSION OF RADIO WAVES, MAGNETIC WAVES, MICROWAVES, ELECTRONIC WAVES AND FIELDS AND HEALTH EFFECTS, IF ANY, THEREFROM AS A RESULT OF THE EXISTENCE OF ANY CABLE, TELECOMMUNICATION, RECEIVING AND DISTRIBUTION SYSTEM, TELECOMMUNICATIONS DEVICE OR OTHER SYSTEMS LOCATED ON, ABOVE OR IN THE VICINITY OF THE CONDOMINIUM PROPERTY. ALL PERSONS ARE HEREBY NOTIFIED THAT THE EFFECTS FROM THE EXISTENCE OF ANY SUCH TELECOMMUNICATIONS, OR OTHER EQUIPMENT CONSTITUTING SYSTEMS IS UNKNOWN AND MAY POSE A THREAT TO PERSONS, PETS AND PROPERTY, BUT THAT THE LISTED PARTIES ARE

UNDER NO DUTY TO PROTECT AGAINST, AND DO NOT IN ANY MANNER WARRANT AGAINST, ANY DEATH, INJURY OR DAMAGE CAUSED BY SUCH SYSTEMS.

7. DEVELOPER'S UNITS AND PRIVILEGES. The Developer is irrevocably empowered, notwithstanding anything herein to the contrary, to sell, lease or rent Condominium Units to any person approved by it, subject to the terms of Paragraph 22, unless prohibited by law. The Developer shall have the right to transact on the Condominium Property any business necessary to consummate the sale of Condominium Units, including but not limited to the right to maintain models, sales offices and construction trailers, erect signs, place employees in the office, models and sales centers, use the Common Elements and show unsold Condominium Units. In addition to and without limiting the generality of the foregoing, the Developer shall have the right to show the Condominium Units it owns, the Limited Common Elements appurtenant thereto, if any, and the Common Elements to prospective purchasers and tenants, as well as the right to maintain a sales office, and to place and maintain signs and other promotional material on the Condominium Property. The sales office(s), signs and all items pertaining to sales shall not be considered Common Elements and shall remain the property of the Developer. In the event there are unsold Condominium Units, the Developer retains the right to be the Owner thereof, under the same terms and conditions as other Owners, save for this right to sell, rent or lease as contained in this paragraph. The Developer reserves the right to have an independent third party operate within the Common Elements and provide additional services for Unit Owners and such service will be paid specifically by the Unit Owners on a use basis only. If a Unit Owner does not use the service, the Unit Owner will not be charged any fees.

8. COMMON ELEMENTS AND LIMITED COMMON ELEMENTS.

(a) The Common Elements, as hereinabove defined, shall include within its meaning all items described as Common Elements in the Condominium Act, together with the following items:

- (1) All Condominium Property not included within the Units;
- (2) Easements through Condominium Units for conduits, pipes, ducts, vents, plumbing, wiring and other facilities, equipment and/or fixtures for the furnishing of utility services, heating and cooling and/or ventilation to the Condominium Units and to Common Elements;
- (3) Easements of support in every portion of a Condominium Unit which contributes to the support of other Condominium Units and/or Common Elements;
- (4) Installations for the furnishing of utility services to the Common Elements or to a Condominium Unit other than the Condominium Unit containing the installation;
- (5) The property and installations in connection therewith required for the furnishing of services to more than one Condominium Unit or to the Common Elements including, but not limited to, stairway(s), if any;

(6) Fixtures on property owned or held for the common use, benefit and enjoyment of all Owners of Condominium Units in the Condominium;

(7) Cross-easements for ingress, egress, support, maintenance, repair, replacements and utilities;

(8) Easements for encroachments by the perimeter walls, ceilings and floors surrounding each Condominium Unit caused by the settlement or movement of the Building or by minor inaccuracies in building or rebuilding which may now exist or hereafter exist, and such easements shall continue until such encroachments no longer exist;

(9) Roads installed on the Condominium property by the Developer or any third party with the approval of the Developer that have not been dedicated to the State of Florida or a political subdivision thereof;

(10) All uncovered parking spaces; and

(11) The Surface Water or Stormwater Management System for the land.

(b) The Limited Common Elements, as hereinabove defined, shall include within its meaning, the following items:

(1) Covered Entrance, Screened Patio, and Balcony Areas. The covered entrance, screened patio and balcony areas of each Unit (if any), as more particularly shown on the Graphic Description and Plot Plan attached hereto as Exhibit B, which use shall be limited to the Owners of the Units to which said covered entrance, screened patio and balcony areas are attached;

(2) Driveways. The driveways, as shown on the Graphic Description and Plot Plan attached as Exhibit B to this Declaration shall be a Limited Common Element for the exclusive use of the Unit Owners designated by the Developer to use same;

(3) Outside Closets. The closets, as shown on the Graphic Description and Plot attached as Exhibit B to this Declaration shall be a Limited Common Element; which use shall be limited to the Owners of the Units which have, as a Limited Common Element, exclusive use of the entry way on which the closet opens.

(4) Other Areas. All other areas designated as Limited Common Elements on Exhibit B.

Notwithstanding any provision to the contrary, amendments to the Common Elements may be made as provided for in Chapter 718.110(5) and 718.110(6), Florida Statutes.

Unit Owners shall not do anything within their Units or on the Common Elements which would adversely affect the safety or soundness of the Common Elements or any portion of the Condominium Property.

9. PERCENTAGE OF OWNERSHIP OF COMMON EXPENSES AND COMMON SURPLUS. The undivided share of the Common Expenses and ownership of the Common Elements and Common Surplus attributable to each Condominium Unit shall be computed upon the following basis:

(a) The Developer has considered the size of the Unit in apportioning the Common Expenses and in determining the ownership of Common Expenses and Common Surplus. Each Unit Owner's share shall be equal to a fraction, the numerator of which is the approximate living area of the Unit and the denominator of which is the total living area of all Units, which is approximately 156,940 square feet. Each Unit in the Condominium has an undivided share in the ownership of the Common Elements and the Common Surplus, and in apportioning the Common Expenses, as more particularly set forth:

<u>Unit Type</u>	<u>%</u>
A1	.96661
B	1.25271
C	1.35211

10. COMMON EXPENSES AND COMMON SURPLUS.

(a) Common Expenses of the Condominium Association, as defined hereinabove, shall be shared by all Unit Owners in accordance with an undivided share in the ownership of the Common Elements and the Common Surplus attributable to each Condominium Unit submitted to condominium ownership, as set forth in Paragraph 9 hereinabove. It is understood that this shall include all expenses in connection with any assessments, insurance and all other expenditures for which the Association shall be responsible.

(b) The Common Surplus shall be owned by Unit Owners in accordance with the provisions set forth in Paragraph 9 hereinabove as it relates to the undivided share in the ownership of the Common Elements and Common Surplus attributable to each Condominium Unit submitted to condominium ownership pursuant to this Declaration.

11. GOVERNING BODY. The affairs of the Condominium shall be conducted by a corporation incorporated pursuant to the Florida Statutes governing corporations not for profit. The name of the corporation to conduct the affairs of the Condominium shall be THE ENCLAVE AT EAGLE HARBOR CONDOMINIUM ASSOCIATION, INC., the Articles of Incorporation of which are attached hereto as Exhibit C and are made a part hereof as though set out in full herein. The Bylaws of the Association are attached hereto as Exhibit D and are made a part hereof as though set out in full herein.

12. MEMBERSHIP IN THE ASSOCIATION.

(a) The Association shall at all times maintain a register setting forth the names of the Owners of all of the Condominium Units and in the event of the sale or transfer of any Condominium Unit to a third party, the purchaser or transferee shall notify the Association in writing of his or her interest in such Condominium Unit together with such recording information as shall be pertinent to identify the instrument by which purchaser or transferee has acquired his or her interest in the Condominium Unit. Further, the Owner of each Condominium Unit shall at all times notify the Association of the names of the parties holding any mortgage or mortgages on any Condominium Unit, the amount of such mortgage or mortgages and the recording information which shall be pertinent to identify the mortgage or mortgages. The holder of any mortgage or mortgages upon any Condominium Unit may, if he, she or it so desires, notify the Association of the existence of any mortgage or mortgages held by such party on any Condominium Unit and, upon receipt of such notice, the Association shall register in its records all pertinent information pertaining to the same.

(b) The Developer and all persons hereinafter owning an interest in the Condominium Units, whose interest is evidenced by the recordation of a proper instrument in the Public Records of Clay County, Florida, shall automatically be members of the Association and such membership shall automatically terminate when such persons have divested themselves of such interest.

(c) An Owner or Owners of a single Condominium Unit shall collectively be entitled to one (1) vote for that Condominium Unit, which vote shall be cast by the voting member. If any Condominium Unit is owned by more than one person, other than a husband and wife, one of the Owners of such Condominium Unit shall be designated, by a duly sworn certificate signed by all of the record Owners of the Condominium Unit and filed with the Secretary of the Association, as the voting member for that Condominium Unit. Failure by all Owners of a Condominium Unit (except in the case of a husband and wife who are the sole owners of the Condominium Unit) to file such a sworn certificate with the Secretary prior to a members' meeting shall result in depriving such Owners of a vote at such meeting. In the case of a corporation, partnership or joint venture, the officer, director, agent or partner entitled to vote shall be designated by a certificate signed by the appropriate officer, director or partner of such entity and filed with the Secretary of the Association. In the case of a husband and wife who are the sole owners of the Condominium Unit, they need not designate the voting member and either of them appearing at a meeting of the members may, if there is no objection from the other, cast the voting interest for that Condominium Unit. The appearance at any meeting of any co-owner of a Condominium Unit shall constitute that Condominium Unit's presence for the purpose of establishing a quorum, whether or not the co-owner in attendance is authorized to vote. Whenever a particular numerical or percentage vote is called for or provided for in this Declaration, the Articles or Bylaws (unless the particular provision describing the vote required shall specifically require to the contrary), the vote required shall be that percentage of the total number of voting interests of the Unit Owners present and voting, or if the provision involved so requires, that percentage of the total number of votes entitled to be voted on the matter. Unless a particular provision shall require otherwise, a majority vote of the number of voting interests of Unit Owners present and voting and entitled to vote on any matter shall be controlling, provided a quorum is present. A person or entity owning an interest in more than one (1) Condominium

Unit may be designated as a voting member for each Condominium Unit which he, she or it owns, and may cast one (1) vote for each such Condominium Unit.

(d) There shall be one (1) voting member for each Condominium Unit submitted to condominium ownership pursuant to this Declaration and amendments hereto.

(e) All the affairs, policies, regulations and property of the Association shall be controlled and governed by the Board of Directors of the Association, consisting of not less than three (3) and not more than seven (7) voting members who are to be elected annually in accordance with the Articles and Bylaws; provided, at all times there may only be an odd number of Directors on the Board.

(f) Subsequent to the filing of this Declaration, the Association, when authorized by a vote of two-thirds (2/3) of the total vote of the members of said Association, may purchase and/or acquire and enter into agreements, from time to time, whereby it acquires leaseholds, memberships and other possessory or use interests in lands or facilities, whether or not contiguous to the lands of the Condominium intended to provide for the enjoyment, recreation and other use or benefit of the Unit Owners. The expense of ownership, rental fees, operations, replacements and other undertakings in connection therewith shall be Common Expenses, together with all other expenses and costs herein or by law defined as Common Expenses.

13. AMENDMENT OF DECLARATION.

(a) This Declaration may be amended by affirmative vote of sixty-seven percent (67%) of the Unit Owners at a meeting duly called for such purpose pursuant to the Bylaws; provided, however, that no amendment shall be made which shall in any manner impair the security of an Institutional Mortgagee having a mortgage or other lien against any one or more Condominium Units or Condominium Parcels, or any other record owners of liens thereon. However, if such amendment is only for the purpose of correcting an error or omission in this Declaration or in other documentation required by law to establish the condominium form of ownership, then such amendment shall nevertheless be effective when duly passed by an affirmative vote of fifty-one percent (51%) of the members of the Association present or represented by written proxy in accordance with the Bylaws and recorded among the Public Records of Clay County; provided, however, that the property rights of the Unit Owners are not materially and/or adversely affected by such amendment.

(b) If it shall appear through scrivener's error, that a Condominium Unit has not been designated as owning an appropriate undivided share of the Common Elements or does not bear an appropriate share of the Common Expenses or that all the Common Expenses or interest in the Common Surplus or all of the Common Elements in the Condominium have not been distributed in this Declaration, such that the sum total of the shares of Common Elements which have been distributed or the sum total of the shares of the Common Expenses or ownership of Common Surplus fail to equal one hundred percent (100%) (or if it shall appear that, through such error, more than one hundred percent (100%) of Common Elements or Common Expenses or ownership of the Common Surplus shall have been distributed) such error may be corrected by the filing of an amendment to this Declaration approved by the Board or a majority of the Unit Owners. The amendment to this Declaration shall be evidenced by a

certificate of the Association which shall include the recording data identifying this Declaration and shall be executed in the form required for the execution of a deed and recorded in the Public Records of Clay County, Florida.

(c) The Developer, during the time it is in control of the Board of Directors of the Association may amend this Declaration or the Articles or the Bylaws of the Association to correct an omission or an error, or to effect any other amendment, except that this procedure for amendment cannot be used if such amendment would, in the reasonable opinion of the Developer, materially and adversely affect substantial property rights of Unit Owners unless the affected Unit Owners consent in writing to such amendment. The execution and recording of any amendment by the Developer pursuant to this Paragraph 13 (c) shall be conclusive evidence, however, that the amendment does not materially adversely affect substantial property rights of Unit Owners who did not join in or consent to such execution, and any such amendment shall be effective as provided herein unless subsequently rescinded.

(d) Notwithstanding the foregoing, no amendment shall materially alter or modify the appurtenances to any Condominium Unit, nor change the proportion or percentage by which the Owner of the Condominium Unit shares the Common Expenses and owns the Common Surplus, unless the record Owner(s) thereof and all record owners of mortgages or other liens thereupon and unless all the record owners of all other Units shall join in the execution of the amendment to this Declaration which in any way relates to a change in the percentage of ownership in the Common Elements or sharing of Common Expenses as it pertains to each Unit Owner and/or Condominium Unit.

(e) Notwithstanding any provision of this Declaration to the contrary, mortgagee consent shall not be required for any amendment to this Declaration unless such amendment materially affects the rights and interests of any mortgagee, or is otherwise required by the Federal National Mortgage Association or the Federal Home Loan Mortgage Corporation, and no mortgagee shall unreasonably withhold its consent to any proposed amendment. Except for amendments to this Declaration changing the configuration or size of any Condominium Unit in any material fashion, materially altering or modifying the appurtenances to any Condominium Unit, or changing the proportion or percentage by which the owner of any Condominium Unit shares the common expenses and owns any common surplus and except for any amendments to this Declaration permitting time-share estates, amendment to this Declaration shall be presumed not to materially affect the rights or interests of mortgagees. In the event that mortgagee consent to any amendment to this Declaration is provided other than by a properly recorded joinder, such consent shall be evidenced by an affidavit of an officer of the Association recorded in the Public Records of Clay County, Florida. This Paragraph may not be amended without the consent of the Developer and all of the mortgagees of Condominium Units.

(f) No amendment may be made to this Declaration which would alter the Surface Water or Stormwater Management System, beyond maintenance in its original condition, including the water management portions of the Common Elements, without the prior written approval of the St. Johns River Water Management District.

(g) Notwithstanding the foregoing, Developer or the Board, without the necessity of a vote from the Unit Owners, may unilaterally amend this Declaration to: (a) correct any scrivener's errors; (b) bring any provision of this Declaration into compliance with any

applicable governmental statute, rule, regulation, judicial determination rules and regulations of the Federal National Mortgage Association, the Department of Housing and Urban Development, and the Veterans Administration, pursuant to federal law that shall be in conflict therewith; and (c) enable any reputable title insurance company to issue title insurance coverage with respect to any portion of the Condominium.

(h) Notwithstanding anything herein to the contrary, the Developer reserves the right to change the Unit mix, provided the Developer obtains the consent of the affected Unit(s).

Notwithstanding the foregoing, or any other provisions of this Declaration, no amendment to this Declaration shall modify, alter, abridge or delete any: (a) provision of this Declaration that benefits the Developer; (b) rights, privileges, easements, protections, or defenses of the Developer; or (c) rights of the Unit Owners or the Association in relationship to Developer, without the written consent of the Developer attached to and recorded with such amendment, until the later of the following: (i) the date upon which the Developer no longer owns any Unit; or (ii) sixteen (16) years after the date on which this Declaration is recorded in the public records, whichever period of time is longer. Any action to challenge the validity of an amendment adopted under this Paragraph 13 (other than by Developer to challenge an amendment pursuant to the preceding sentence) must be brought within one (1) year of the effective date of such amendment. No action to challenge such amendment may be brought after such time.

14. TYPE OF OWNERSHIP. Ownership of each Condominium Parcel, which shall include the Condominium Unit and the undivided share in the Common Elements herein specified, shall be evidenced by Special Warranty Deed from the Developer conveying fee simple title to the Condominium Parcel.

15. ASSESSMENTS, LIABILITY, LIEN, INTEREST, COLLECTION.

(a) The Association, through its Board of Directors, shall have the power to make and collect assessments, special assessments and such other assessments as are provided for by the Condominium Act, this Declaration and/or the Bylaws.

(b) Common Expenses shall include, but not be limited to, costs and expenses incurred or expended by the Association for operation, maintenance and management of the Condominium Property, property taxes and assessments against the Condominium Property (until such time as any of such taxes and assessments are made against the Condominium Parcels individually and thereafter only as to such taxes or assessments, if any, as may be assessed against the Condominium Property as a whole), insurance premiums as described in Paragraph 18, legal and accounting fees, management fees and operating expenses of the Condominium Property and the Association; maintenance, repairs and replacements to the Common Elements and Limited Common Elements (including the Surface Water or Stormwater Management System including, but not limited to, work within retention areas, drainage structures and drainage easements), except for the Limited Common Elements to be maintained by the Unit Owners pursuant to Paragraph 16 hereof and, except for emergency repairs or replacements to individual Condominium Units deemed necessary to protect the Common Elements and if properly chargeable to the individual Condominium Unit concerned the Association may

nevertheless thereafter charge such individual Unit Owner concerned, charges for utility and water used in common for the benefit of the Condominium or, if not separately metered for each unit, any bulk metered or bulk calculated utility services rendered to the Condominium Property or the Condominium Units for their benefit including, but not limited to, charges for all gray water used to irrigate the Common Elements, cleaning and janitorial services for the Common Elements and Limited Common Elements, cable television or other common technology services and liability incurred by the Association in and about the enforcement of its rights and duties against the members or others, and the creation of reasonable contingency or reserve requirements for the protection of the members and the Condominium Property (i.e., reserves for replacements, operating reserve to cover deficiencies and unforeseen contingencies), and all other expenses declared by the Board of Directors of the Association to be Common Expenses from time to time, and any and all other sums due from the Association under any lease, contract or undertaking for recreational facilities. Also, although the Master Association assessments are not part of the Common Expenses, unless required that the assessment is paid directly to the Master Association, each Unit Owner shall pay to the Association all assessments required by the Master Association and the Association shall remit to the Master Association its assessments paid by the Unit Owners.

(c) The Association shall estimate from time to time the amount of Common Expenses it expects to incur and the period of time involved therein and shall assess sufficient monies from Unit Owners to meet this estimate. Assessments for Common Expenses shall be borne by Unit Owners in the portions or shares set forth in Paragraphs 9 and 10 hereinabove. Assessments shall be payable monthly or in such other installments and at such other times as may be fixed by the Board of Directors.

(d) Should the Association through its Board of Directors at any time determine that the assessments made are not sufficient to pay the Common Expenses, or in the event of emergencies, the Board of Directors shall have the authority to levy and collect additional assessments to meet such needs of the Association.

(e) All notices of assessments from the Association to the Unit Owners shall designate when they are due and payable.

(f) The Association has a lien on each Condominium Unit for any unpaid assessments, regular or special, made hereunder and costs incurred in collecting same, including reasonable attorney's fees and interest (as described in Paragraph 15 (g) below), which are incident to the collection of the assessment with respect to said Condominium Unit or enforcement of the lien. The lien is effective from and shall relate back to the last to occur of the recording of this Declaration of Condominium or an amendment hereto creating the Unit. However, as to first mortgages of record, the lien is effective from and after recording of a claim of lien. The lien shall be recorded in the Public Records of Clay County and provide for the description of the Condominium Unit, the name of the record owner, the name and address of the Association, the amount due and the due dates.

(g) In addition to the lien rights set forth above, the Association shall be entitled to collect interest at a rate determined by the Association, which rate shall not exceed the highest rate allowed by law, from the due date until the date of payment of any assessment,

regular or special, made hereunder, which is not paid within ten (10) days of the due date of any such assessment.

(h) A Unit Owner, regardless of how his or her title has been acquired, including by purchase at a foreclosure sale or by deed in lieu of foreclosure, is liable for all assessments which come due while he or she is the Unit Owner. Additionally, a Unit Owner is jointly and severally liable with the previous Owner for all unpaid assessments that came due up to the time of transfer of title. This liability is without prejudice to any right the Owner may have to recover from the previous Owner the amounts paid by the Owner. The liability of a first mortgagee or its successors or assignees who acquire title to a Unit by foreclosure or by deed in lieu of foreclosure for the unpaid assessments that became due prior to the mortgagee's acquisition of title is limited to the lesser of:

(1) The Unit's unpaid common expenses and regular periodic assessments which accrued or came due during the six (6) months immediately preceding the acquisition of title and for which payment in full has not been received by the Association; or

(2) One percent (1%) of the original mortgage debt.

The provisions of this paragraph shall not apply unless the first mortgagee joined the Association as a defendant in the foreclosure action. Joinder of the Association is not required if, on the date the complaint is filed, the Association was dissolved or did not maintain an office or agent for service of process at a location which was known to or reasonably discovered by the Mortgagee.

The person acquiring title shall pay the amount owed to the Association within thirty (30) days after transfer of title. Failure to pay the full amount when due shall entitle the Association to record a claim of lien against the Condominium Parcel and proceed in the same manner as provided in this paragraph for the collection of unpaid assessments.

(i) The Association may bring an action in its name to foreclose a lien for assessments in the manner a mortgage of real property is foreclosed and may also bring an action to recover a money judgment for the unpaid assessments without waiving any claim of lien.

(j) The Developer shall not be liable for the payment of assessments on Condominium Units that it owns during the period that the Developer has guaranteed the assessments. The Developer has guaranteed to each Unit Owner that the assessment of Common Expenses of the Condominium imposed upon each Unit Owner (other than the Developer) will not exceed \$190.82 per month for each A Unit, \$247.30 per month for each B Unit; and \$266.92 per month for each C Unit for the period from recording of the Declaration through the remainder of the first fiscal year; \$200.36 per month for each A Unit, \$259.67 per month for each B Unit, and \$280.27 per month for each C Unit for the period of the second fiscal year; and \$210.38 per month for each A Unit, \$272.65 per month for each B Unit, and \$294.28 per month for each C Unit for the period from the first day of the third fiscal year through the end of the guarantee period. The period commences with the recording of the Declaration and continues until the expiration of twenty-four (24) months from the date of recording of the Declaration, or turnover of control of the Association, whichever occurs earlier. The Association's fiscal year shall be from January 1 through December 31, unless the Board determines otherwise. During such period the Developer will pay to the Association any amount of Common Expenses

incurred during that period which exceeds the guaranteed level of assessments against other Unit Owners. The Developer reserves the right to extend the guarantee for one or more additional twelve-month periods, although the monthly guarantee amount shall remain the same as the last level set forth above. Pursuant to Section 718.112(2)(f)(2), Florida Statutes, Developer will vote to waive the reserves for the first two (2) years of the Association's operation.

(k) Although the Master Association assessments are not part of the Common Expenses, unless required that the assessment is paid directly to the Master Association, each Unit Owner shall pay to the Association all assessments required by the Master Association and the Association shall remit to the Master Association its assessments paid by the Unit Owners.

16. MAINTENANCE. The responsibility for the maintenance of the Condominium Property as it may apply hereafter, shall be as follows:

(a) By the Association. The Association shall be responsible for the maintenance, repair or replacement of the following:

(1) All Common Elements, except as such responsibility is allocated to the Unit Owner under Paragraph 16(b) of this Declaration;

(2) All portions of the Condominium Units (except interior wall surfaces) contributing to the support of the Building, which portions shall include, but not be limited to, the outside walls of the Building, load bearing columns, the roofs of the Buildings and the skylights, if any, on the Condominium Property. The expenses incurred by the Association to maintain same shall be Common Expenses;

(3) All Common Elements including but not limited to conduits, ducts, plumbing, wiring and other facilities for the furnishing of utility services which are contained in the portions of the Condominium Unit contributing to the support of the Building or within interior boundary walls and all such facilities contained within a Condominium Unit which service part or parts of the Condominium other than the Condominium Unit within which it is contained and all roads located on the Condominium Property that have not been dedicated and accepted by the State of Florida or a political subdivision thereof;

(4) All Limited Common Elements except as described in Paragraph 16(b) of this Declaration;

(5) All incidental damage caused to a Condominium Unit by such work shall be promptly repaired at the expense of the Association;

(6) All driveways and garage doors (excluding garage door openers), except as expressly provided in Paragraph 16(b) of this Declaration;

(7) The Surface Water or Stormwater Management System(s). As used herein, maintenance of the Surface Water or Stormwater Management System(s) shall mean the exercise of practices (including, without limitation, mowing, erosion control, maintaining the dense vegetative cover as permitted by the St. Johns River Water Management District in any Vegetative Buffer, and repairing any damage to any Drainage Swale (whether caused by natural

or human-induced phenomena) to return it to its permitted functioning condition) which allow the systems to provide drainage, water storage, conveyance or other surface water or stormwater management capabilities as permitted by the St. Johns River Water Management District. Any repair or reconstruction of the Surface Water or Stormwater Management System shall be as permitted or, if modified, as approved by the St. Johns River Water Management District; and

(8) The maintenance, repair, replacement and insurance of the structural and mechanical aspects of any Limited Common Elements shall be solely the responsibility of the Association, the cost of which shall be a Common Expense.

(b) By the Unit Owner. Each Unit Owner shall operate, maintain, repair and replace, at the Unit Owner's expense:

(1) All portions of the Condominium Unit, if any, except the portions to be maintained, repaired and replaced by the Association. Included within the responsibility of the Unit Owner shall be windows, screens on windows and doors on the exterior of his or her Condominium Unit, and framing for same, terraces (if any), any improvements on said terraces. All such maintenance, repairs and replacements shall be done without disturbing the rights of other Unit Owners;

(2) The air conditioning and heating systems exclusively serving the Unit Owner's Condominium Unit, whether inside or outside of his or her Condominium Unit;

(3) The general cleaning and upkeep of appearance of all driveways, garages, garage doors, screened patios, decks, storage closets, and covered entrances;

(4) The repair and maintenance of the screens on any screened patios as well as any flooring or lighting on the screened patios;

(5) Within the Owner's Condominium Unit, all cabinets, electrical fixtures, appliances, security systems, water heaters, carpeting and other floor coverings, sinks, fans, stoves, refrigerators, garage door openers, washers, if any, dryers, if any, disposals, if any, compactors, if any, or other appliances or equipment, including any fixtures and/or their connections required to provide water, light, power, telephone, television transmission, sewage and sanitary service to the Condominium Unit, as well as all personal property of the Unit Owner; and

(6) The general upkeep and cleaning and insurance of contents of any Limited Common Element shall be the responsibility of the Owner to which such Limited Common Element is appurtenant.

All property to be maintained, repaired and/or replaced by a Unit Owner shall be maintained at all times in a first class condition and in good working order, if same affects the exterior appearance of the Condominium, so as to preserve a well-kept appearance throughout the Condominium, and no such maintenance, repair or replacement shall be performed in a manner which changes or alters the exterior appearance of the Condominium from its original appearance or condition without the prior written consent of the Association. All property to be maintained, repaired and/or replaced by a Unit Owner which is inside of the Unit Owner's

Condominium Unit and which does not affect the exterior appearance of the Condominium shall be maintained at all times in a condition which does not and will not adversely affect any other Unit Owner, or any portion of the Condominium Property.

No Unit Owner shall operate, maintain, repair or replace any portion of the Common Elements or Common Facilities to be operated, maintained, repaired and/or replaced by the Association, including, but not limited to, the landscaping of the Common Elements, without first obtaining written approval from the Association. Each Unit Owner shall promptly report to the Association any defects or need for repairs, maintenance, or replacements, the responsibility for which is that of the Association.

Notwithstanding anything herein to the contrary, the cost and expense of any maintenance, repair or replacement of the Condominium Property necessitated by the negligence, misuse or neglect of a specific Unit Owner(s) shall be the sole responsibility of said Unit Owner(s).

(c) At the option of the Association:

The Association may, at its own expense:

(1) Use and expend the assessments collected, to maintain, care for and preserve the Condominium Property, except those portions thereof which are expressly required to be maintained, cared for and preserved by the Unit Owners and except that assessments for reserves shall be used for the purposes for which they are reserved unless their use for other purposes is approved in advance by a vote of the majority of the voting interest of the Association at a duly called meeting;

(2) Purchase the necessary equipment and tools required in the maintenance, care and preservation referred to above;

(3) Enter into and upon the Condominium Units when necessary and with as little inconvenience to the Owners as possible in connection with the maintenance, repair or replacement of any Common Elements, including any Limited Common Elements or for making emergency repairs which are necessary to prevent damage to the Common Elements, including any Limited Common Elements or to another Condominium Unit or Condominium Units. Whenever it is necessary to enter any Condominium Unit for the purpose of performing any such maintenance, repair and replacement, the Unit Owner shall permit the Association or persons authorized by it to enter the Condominium Unit for such purposes, provided that such entry may be made only at reasonable times and with reasonable advance notice, except that in the case of an emergency, no advance notice will be required. To facilitate entry in the event of any emergency, the Owner of each Condominium Unit, if required by the Association, shall deposit a key to his or her Condominium Unit with the Board of Directors and provide to the Association the security code to the alarm, if any;

(4) Insure and keep insured said Condominium Property in the manner set forth in this Declaration against loss from fire and/or other casualty, and Unit Owners against public liability and to purchase such other insurance as the Board of Directors may deem advisable;

(5) Collect delinquent assessments by suit or otherwise, abate nuisances and enjoin or seek damages from the Unit Owners for violation of the Bylaws, the Rules and Regulations, if any, and the terms and conditions of this Declaration;

(6) Employ workmen, janitors and gardeners and purchase supplies and equipment, to enter into contracts in connection with any of the foregoing items or for other services deemed advisable and generally to have the powers of an apartment house manager, including the right to employ or contract with, if deemed advisable, a maintenance service contractor or apartment house manager, who shall maintain, service or manage the Building and the Condominium Property, and to delegate to such contractor or manager such powers as may be necessary in connection with the operation of the Buildings and the Condominium Property; and

(7) Pay any charge, assessment or tax imposed by any improvement district or special taxing district.

17. ENFORCEMENT OF MAINTENANCE. In the event a Unit Owner fails to operate, maintain or repair his or her Condominium Unit, as required in Paragraph 16 above, the Association or any other Unit Owner shall have the right to petition to the Division of Florida Land Sales, Condominiums and Mobile Homes for mandatory non-binding arbitration, as more specifically set forth in the Arbitration Rules of Procedure promulgated by the Division. The Association may levy reasonable fines against a Unit for the failure of the Owner of the Unit or its occupant, licensee or invitee to comply with any provision of the debt of this Declaration, the Association Bylaws, or reasonable rules of the Association. No fine will become a lien against a Unit. No fine may exceed \$100.00 per violation. However, a fine may be levied on the basis of each day of a continuing violation, with a single notice and opportunity for hearing, provided that no such fine shall in the aggregate exceed \$1,000.00. No fine may be levied except after giving reasonable notice and opportunity for a hearing to the Unit Owner and, if applicable, its licensee or invitee. The hearing must be held before a committee of other Unit Owners. If a committee does not agree with the fine, the fine may not be levied. The provisions of this paragraph do not apply to unoccupied Units.

18. INSURANCE. The insurance (other than title insurance) which shall be carried upon the Condominium Property and the property of the Unit Owners shall be governed by the following provisions:

(a) Purchase; named insured; custody and payment of policies. The Association shall use its best efforts to obtain and maintain adequate insurance to protect the Association, the Common Elements, Limited Common Elements and the respective Condominium Units for the full replacement or insurable value thereof. The named insured shall be the Association individually and as an agent for the Unit Owners covered by the policy without naming them and their mortgagees to the extent of their respective interests. Unit Owners may obtain insurance coverage at their own expense upon their personal property and for their personal liability. All Association policies shall provide that payments for losses made by the insurer shall be paid to the Insurance Trustee (as described in Paragraph 18 (n)) (if appointed). All policies shall provide thirty (30) days' notice of cancellation to the Association. The above insurance provision specifically does not include coverage on personal property coverage for floor coverings, wall coverings and ceiling coverings of each Condominium Unit or

for personal liability or living expenses of Unit Owners. Each Unit Owner should obtain insurance coverage at his or her own expense to protect his or her Condominium Unit, furnishings, including floor coverings, wall coverings or ceiling coverings, furniture, personal property, personal liability, and living expenses and all electrical fixtures, appliances, air conditioner, heating equipment, water heater and built-in cabinets located within the Condominium Unit. The insurance coverage acquired by the Association does not protect a Unit Owner against liability, personal injury or damage occurring within his or her Condominium Unit; it does not cover loss or damage to the Unit and its contents resulting from fire, theft, loss, vandalism, wind, water, rain, hurricanes or other casualty, and does not include floor coverings, wall coverings, ceilings coverings, living expenses and all electrical fixtures, appliances, air conditioner, heating equipment, water heater and built-in cabinets located within the Condominium Unit. It shall be the obligation of the individual Unit Owner to purchase and pay for any insurance covering such risks.

(b) Coverage.

(1) Casualty insurance coverage shall afford protection against loss or damage by fire and other hazards covered by a standard extended coverage endorsement and such other risks as from time to time shall be customarily covered with respect to buildings similar in construction, location and use as the Buildings on the Condominium Property.

(2) Comprehensive general liability insurance coverage in such amounts and with such coverage as shall be required by the Board of Directors of the Association, with cross-liability endorsement to cover liabilities of the Unit Owners as a group, but such coverage shall be for at least \$1,000,000 for bodily injury, including deaths to persons or property damage arising out of a single occurrence.

(3) Workers' compensation coverage to meet legal requirements.

(4) Flood insurance coverage to meet legal requirements.

(5) Fidelity Bonds. The Association shall obtain and maintain adequate fidelity bonding of all persons who control or disburse funds of the Association. As used in this paragraph, the term "persons who control or disperse funds to the Association" means those individuals authorized to sign checks, and the president, secretary and the treasurer of the Association. If the Association's annual gross receipts do not exceed \$100,000.00, the bond shall be in the principal sum of not less than \$10,000.00 for each such person. If the Association's annual gross receipts exceed \$100,000.00, but do not exceed \$300,000.00, the bond shall be in the principal sum of \$30,000.00 for each such person. If the Association's annual gross receipts exceed \$300,000.00, the bond shall be in the principal sum of not less than \$50,000.00 for each person. The Association shall bear the cost of bonding.

(6) Such other insurance as the Board of Directors of the Association shall determine from time to time to be desirable.

(c) Premiums. Premiums upon such insurance policies purchased by the Association shall be a Common Expense. If any policy of insurance is canceled, the Association shall give notice to each mortgagee listed in the roster of mortgagees.

(d) Shares of proceeds. All insurance policies purchased by the Association shall be for the benefit of the Association and the Unit Owners and their mortgagees as their interests may appear, and shall provide that all proceeds covering property losses shall be paid to the Insurance Trustee (if appointed) as agent for the Association, the Unit Owners and their mortgagees. The duty of the Insurance Trustee shall be to receive the insurance proceeds and other funds that are paid to it and hold the same in trust for the purposes stated herein and for the benefit of the Unit Owners and their mortgagees in the following shares:

(1) Unit Owners. An undivided share for each Unit Owner, that share being the same as the undivided share in the Common Elements appurtenant to his or her Condominium Unit.

(2) Mortgagees. In the event a mortgagee endorsement of an insurance policy has been issued to a Condominium Unit, the share of the Unit Owner shall be held in trust for the mortgagee and the Unit Owner as their interests may appear. Any Institutional Mortgagee or person holding a mortgage on a Condominium Unit shall be entitled to request and receive a mortgagee endorsement to the hazard insurance carried by the Association if such mortgagee endorsement is reasonably available, and a copy of the policy. No mortgagee shall have any right to participate in the determination as to whether or not any damaged property shall be reconstructed or repaired, and no mortgagee shall have any right to apply or have applied to the reduction of a mortgage debt any insurance proceeds except distributions of proceeds made to the Unit Owner and mortgagee, which distributions shall be made by check payable jointly to the Unit Owner and mortgagee.

(e) Distribution of proceeds. Proceeds of insurance policies received by the Insurance Trustee (if appointed) shall be distributed to or for the benefit of the beneficial owners in the manner hereafter provided.

(f) Association as agent. The Association is irrevocably appointed agent for each Unit Owner and for each holder of a mortgage or other lien upon a Condominium Unit and for each owner of any other interest in the Condominium Property, to adjust all claims arising under insurance policies purchased by the Association and to execute and deliver releases upon the payment of claims.

(g) Determination whether to reconstruct and repair. Whether or not Condominium Property damaged by casualty shall be reconstructed and repaired shall be determined in the following manner:

(1) Lesser Damage. If two-thirds (2/3) or more of the Condominium Units are tenantable after the casualty (as determined by the Board of Directors of the Association), the damaged Condominium Property shall be reconstructed and repaired.

(2) Major Damage. If less than two thirds (2/3) of the Condominium Units are tenantable after the casualty (as determined by the Board of Directors of the Association), whether the damaged Property will be reconstructed and repaired or the Condominium terminated shall be determined at a meeting of Unit Owners which shall be held within sixty (60) days from the casualty. Notice of such meeting shall be properly given to all such Unit Owners and all mortgagee holding first mortgages on the Units, and a majority of the

voting interests shall constitute a quorum for such meeting. If the reconstruction and repair is approved at the meeting by a majority of the Unit Owners present at the meeting, the damaged Condominium Property will be reconstructed and repaired; but if not so approved, the Condominium shall be terminated in the manner provided in this Declaration for termination by agreement, except that no further consent or vote of Unit Owners shall be required for such termination, it being conclusively presumed in such instance that the required number of Unit Owners have consented to such termination. Such termination will be contingent on the approval of fifty-one percent (51%) of holders of first mortgagees on Units and failing such approval, the damaged Property will be reconstructed and repaired.

(3) Binding Decision. The Board of Directors of the Association's decision as to whether or not less than two-thirds (2/3) of the Condominium Units are tenantable after a casualty shall be binding upon all Unit Owners.

(h) Responsibility for reconstruction and repair. The responsibility for reconstruction and repair after casualty shall be the same as for maintenance and repair of the Condominium Property as provided herein.

(i) Plans and Specifications. Any reconstruction and repair must be substantially in accordance with the plans and specifications for the original improvements, or if not, then according to plans and specifications approved by the Board of Directors of the Association and two-thirds (2/3) of the voting interests and fifty-one percent (51%) of the holders of first mortgagees.

(j) Assessments, determination of sufficiency of funds. If the proceeds of insurance are not sufficient to defray the costs of construction and repair for which the Association is responsible, assessments shall be made by the Association against all Unit Owners in sufficient amounts to provide funds for the payment of those costs previously incurred or to be incurred. The assessments shall be made as for a Common Expense.

(k) Disbursement of Funds. The funds held by the Insurance Trustee (if appointed) after a casualty, which will consist of proceeds of insurance and the sums collected from assessments against Unit Owners on account of the casualty, shall be disbursed in the following manner and order:

(1) Termination of the Condominium. If the Condominium is terminated by failure of the Unit Owners to approve reconstruction and repair after Major Damage, the insurance funds shall be remitted jointly to the Unit Owners and their mortgagees of the damaged Condominium Units to compensate them for the cost of reconstruction and repair. The Unit Owners and their mortgagees of the damaged Condominium Unit shall receive a share equal to the estimated cost of reconstruction and repair of the damage in each Condominium Unit as it bears to the total of these costs in all damaged Condominium Units; provided, however, that no Unit Owner and his or her mortgagee shall be paid an amount in excess of the estimated cost of repair of his or her Condominium Unit. The remaining funds shall be owned by the Unit Owners and their mortgagees as their interests appear, in the undivided shares in which they own the Common Elements prior to the termination, and shall be distributed to the beneficial owners, remittances to Unit Owners and their mortgagees being made payable jointly to them.

(2) Reconstruction and repair of damage. If the damaged property is to be reconstructed and repaired, the funds shall be disbursed in the following manner:

a. If the estimated costs of reconstruction and repair which are the responsibility of the Association do not exceed Ten Thousand Dollars (\$10,000.00), the funds shall be disbursed by the Insurance Trustee (if appointed) upon the order of the Association in payment of these costs.

b. If the estimated costs of reconstruction and repair which are the responsibility of the Association exceed Ten Thousand Dollars (\$10,000.00), the funds shall be disbursed by the Insurance Trustee (if appointed) in payment of these costs in the manner required by the Board of Directors of the Association, which shall supervise the work and approve all disbursements as being due and properly payable.

c. If there is a balance of insurance proceeds after payment of the cost of reconstruction and repair which are the responsibility of the Association, this balance shall be distributed to owners of damaged Condominium Units who have responsibility for reconstruction and repair of their Condominium Units. The distribution shall be in the shares that the estimated cost of reconstruction and repair of this damage in each damaged Condominium Unit bears to the total of these costs in all damaged Condominium Units; provided, however, that no Unit Owner shall be paid an amount in excess of the estimated cost of repair of his or her Condominium Unit. If there is a mortgage upon a Condominium Unit, the distribution shall be paid to the Unit Owner and the mortgagee jointly and they may use the proceeds as they may determine.

(l) Benefit of mortgagees. The provisions in this paragraph are for the benefit of mortgagees of Condominium Units as well as Unit Owners, and may be enforced by any such mortgagee, and shall not be amended without the consent of all Institutional Mortgagees holding first mortgages on Condominium Units. Notwithstanding the foregoing, the Association shall not be responsible for its failure to make a payment jointly to the Unit Owners and the mortgagee if the mortgagee has not previously notified the Association in writing that it has a mortgage on a Condominium Unit.

(m) Policy Copies. A copy of each insurance policy in effect shall be available for inspection by the Unit Owners at reasonable times.

(n) Insurance Trustee. The Board of Directors of the Association shall have the option in its discretion of appointing an Insurance Trustee hereunder. If the Association fails or elects not to appoint such Insurance Trustee, the Association will perform directly all obligations imposed upon such Insurance Trustee by this Declaration. Fees and expenses of any Insurance Trustee are Common Expenses. The Insurance Trustee, if so appointed, shall be a bank or trust company in Florida, with trust powers, with its principal place of business in the State of Florida. The Insurance Trustee shall not be liable for payment of premiums, nor for the renewal or the sufficiency of policies, nor the failure to collect any insurance proceeds.

19. CONDEMNATION AND EMINENT DOMAIN.

(a) The taking of any Condominium Property by condemnation or eminent domain proceedings shall be deemed to be a casualty, and the awards for the taking shall be deemed to be proceeds from insurance on account of casualty and shall be deposited with an Insurance Trustee (if appointed). Even though the awards may be payable to Unit Owners, the Unit Owners shall deposit the awards with an Insurance Trustee (if appointed), and in the event of a failure to do so, in the discretion of the Association, the Association may bring an action against a defaulting Unit Owner in the amount of his or her award, or the amount of that award shall be set off against the sums hereafter made payable to that Unit Owner.

(b) In the event of any condemnation or eminent domain proceedings, a meeting of the members of the Association shall be called within sixty (60) days after the taking of any Condominium Property by condemnation or eminent domain proceedings is final to determine whether the Condominium will be terminated. Termination of the Condominium shall be effected as provided in Paragraph 24 of this Declaration.

(c) If the Condominium is terminated after condemnation or eminent domain proceedings, the proceeds of the awards and special assessments will be deemed to be Condominium Property and shall be owned and distributed in the manner provided for insurance proceeds if the Condominium is terminated after a casualty. If the Condominium is not terminated after condemnation or eminent domain proceedings, the size of the Condominium will be reduced, the Unit Owners of condemned or taken Condominium Units will receive their pro rata share of the condemnation award applicable to said Condominium Units, and the property damaged by the taking will be made usable in the manner provided below. The proceeds of the awards and special assessments shall be used for these purposes and shall be disbursed in the manner provided for disbursement of funds by the Insurance Trustee (if appointed) after a casualty.

(d) If the taking reduces the size of a Condominium Unit and the remaining portion of the Condominium Unit can be made tenantable, the award for the taking of a portion of the Condominium Unit shall be used for the following purposes in the order stated as the following changes shall be effected in the Condominium:

(1) The Condominium Unit shall be made tenantable. If the cost of the restoration exceeds the amount of the award, the additional funds required shall be paid by the Owner of the Condominium Unit.

(2) The balance of the award, if any, shall be distributed to the Owner of the Condominium Unit and to each mortgagee of the Condominium Unit, the remittance being made payable jointly to the Unit Owner and his or her mortgagees.

(e) If the taking is of the entire Condominium Unit or so reduces the size of a Condominium Unit that it cannot be made tenantable, the award for the taking of the Condominium Unit shall be used for the following purposes in the order stated and the following changes shall be effected in the Condominium:

(1) The award shall be paid jointly to all Unit Owners and the mortgagees of Condominium Units not tenantable and in an amount equal to the market value of the Condominium Unit immediately prior to the taking and with credit being given for payments repairing and replacing the Common Elements.

(2) The remaining portion of the Condominium Unit, if any, shall become part of the Common Elements and shall be placed in condition for use by all of the Unit Owners in the manner approved by the Board; provided that if the cost of the work shall exceed the balance of the fund from the award for the taking, the work shall be approved in the manner elsewhere required for further improvement of the Common Elements.

(3) The shares in the Common Elements appurtenant to the Condominium Units that continue as part of the Condominium shall be adjusted to distribute the ownership of the Common Elements among the reduced number of Unit Owners. This shall be done by restating the shares of continuing Unit Owners in the Common Elements as elsewhere provided in this Declaration.

(4) If the amount of the award for the taking is not sufficient to pay the market value of a condemned or taken Condominium Unit to the Unit Owner and to condition the remaining portion of the Condominium Unit for use as a part of the Common Elements, the additional funds required for those purposes shall be raised by assessments against all of the Unit Owners who will continue as owners of Condominium Units after the changes in the Condominium effected by the taking. The assessments shall be made in proportion to the shares of those Unit Owners in the Common Elements after the changes effected by the taking.

(5) If the market value of a Condominium Unit prior to the taking cannot be determined by agreement between the Unit Owner and mortgagees of the Condominium Unit and the Association within thirty (30) days after notice by either party, the value shall be determined by one MAI appraiser mutually agreed upon by the Unit Owner, mortgagees and the Association, or if the parties are unable to agree as to an appraiser, the value shall be determined as the average of three (3) appraisals by three (3) such appraisers, one (1) of whom shall be selected by the Association, one by the Unit Owner, and one by the appraiser so selected. The cost of such appraisal or appraisals shall be a Common Expense of the Association.

(f) Awards for the taking of Common Elements shall be used to make the remaining portion of the Common Elements usable in the manner approved by the Board of Directors; provided, that if the cost of the work shall exceed the balance of the funds from the awards for the taking, the work shall be approved in the manner elsewhere required for further improvement of the Common Elements. The balance of the awards for the taking of the Common Elements, if any, shall be distributed to the Unit Owners in the share in which they own the Common Elements after adjustment of these shares on account of the condemnation or eminent domain proceedings. If there is a mortgage on a Condominium Unit, the distribution shall be paid jointly to the Owner and the mortgagee(s) of the Condominium Unit.

(g) The changes in Condominium Units, in the Common Elements and in the ownership of the Common Elements that are effected by condemnation shall be evidenced by an amendment of this Declaration of Condominium that need be approved only by the Board of Directors of the Association.

20. MAINTENANCE OF COMMUNITY INTEREST. In order to maintain a community of congenial owners who are financially responsible and thus protect the value of the Units, the transfer of Units by any Unit Owner other than the Developer shall be subject to the following provisions so long as the Condominium exists, or for such shorter period expressly provided herein, which provisions each Unit Owner covenants to observe:

A. Sale. The sale of a unit is subject to the following right of first refusal (the "Right of First Refusal"):

(a) Unit Owner shall not sell and convey the Unit to any party other than Developer during the time period set forth in (f) below unless Unit Owner shall have first (a) offered (hereinafter referred to as the "Refusal Offer") to sell the Unit to Developer in writing upon the same terms as set forth in that certain purchase agreement by which the Unit Owner originally purchased the Unit; and (b) received notice of rejection of the Refusal Offer in writing from Developer or failed to receive from Developer a notice of acceptance of the Refusal Offer within fifteen (15) days after receipt by Developer of the Refusal Offer.

(b) Notices under this Right of First Refusal shall be in writing and shall be delivered either by personally delivering it by hand or Federal Express or similar courier service or by depositing it with the United States Postal Service, certified mail, return receipt requested, with adequate postage prepaid, addressed to the Unit Owner at the Unit and to the Developer at 495 North Keller Road, Suite 301, Maitland, Florida 32751, Attn: Alan E. Kolar.

A notice shall be deemed delivered at the time of personal delivery or, if mailed, when it is deposited as provided above, but the time period in which a response to any such notice must be given or any action taken with respect thereto shall commence to run from the date it is personally delivered or, if mailed, three (3) days after the date it is deposited with the United States Postal Service. Rejection or other refusal by the addressee to accept or the inability of the hand delivery courier or an overnight courier to deliver because of an incorrect address or a changed address of which no notice was given shall be deemed to be the receipt of the notice sent. Any party shall have the right from time to time to change the address or individuals' attention to which notices to it shall be sent by giving to the other party at least ten (10) days prior notice thereof.

(c) If Developer rejects or fails to accept the Refusal Offer within the fifteen (15) day period referred to above, then Unit Owner may enter into a binding agreement in accordance with the Third Party Offer, whereupon at Unit Owner's option Developer will execute a quit-claim deed releasing all interest of Developer in and to the Unit.

(d) Developer shall be deemed to have exercised the Refusal Offer if, within the fifteen (15) day period, Developer notifies the Unit Owner of its election to accept the Refusal Offer. Unless Developer and the Unit Owner shall agree otherwise, Developer shall tender the required sum of money to the Unit Owner and the transaction shall be closed not later than thirty (30) days after the Developer gives such notice to the Unit Owner of Developer's election to accept the Refusal Offer, and the Unit Owner shall convey good and marketable title to the Unit to Developer. Good and marketable title as used herein shall mean title which a title insurance company licensed to do business in Georgia will insure at its regular rates, subject only to standard exceptions. Developer shall pay all closing costs except for Unit Owner's attorney's

fees and the cost of any corrective title work necessary in order for the Unit Owner to convey good and marketable title.

(e) This Right of First Refusal shall not apply to a transfer of the Unit to (i) members of Unit Owner's immediate family (parents, children or spouse), (ii) a trust or similar fiduciary entity established by Unit Owner for the benefit of Unit Owner's family or any member thereof, including Unit Owner, or (iii) a partnership, corporation, company or other business entity created by Unit Owner which in Unit Owner's discretion may be in the best interest of Unit Owner, provided that at least fifty percent (50%) of the voting power of such entity must be retained by Unit Owner.

(f) This Right of First Refusal shall expire on the earlier of the following: (a) the date which is one year following the recording of this Declaration; or (b) the date on which Developer closes on the last unit at the Condominium. Upon the occurrence of the earlier of the two (2) previously stated events, this Right of First Refusal shall automatically terminate and be of no further force or effect.

(g) The foregoing provisions of this section entitled "Maintenance Of Community Interests" shall not apply to a transfer to, or purchase by an Institutional Mortgagee which acquires title as a result of owning a mortgage upon the Unit concerned and this shall be so whether the title is acquired by deed from the mortgagor or through foreclosure proceedings; nor shall such provisions apply to a transfer, sale or lease by an Institutional Mortgagee. Neither shall those provisions require the approval of a purchaser who acquires title to a Unit at a duly advertised public sale with open bidding which is provided by law, such as, but not limited to, execution sale, foreclosure sale, judicial sale or tax sale. Neither shall any of the provisions of this section apply to the sale or lease of a Unit by the Developer.

B. Lease. No Unit Owner may lease any Unit for a period of less than one (1) year. Any such lease shall be in writing and provide that all of the provisions of this Declaration, and Bylaws, and the Rules and Regulations of the Association pertaining to use and occupancy shall be applicable and enforceable against any person occupying a Unit to the same extent as against a Unit Owner, and a covenant shall exist upon the part of each such tenant or occupant to abide by the Rules and Regulations of the Association, the terms and provisions of the Declaration of Condominium and Bylaws, and designating the Association as the Unit Owner's agent for the purpose of and with the authority to terminate any such lease agreement in the event of violations by the tenant of such covenants or delinquency in the payment of assessments unless the Unit Owner brings the assessment payments current, which covenant shall be an essential element of any such lease or tenancy agreement. Moreover, no Condominium Unit shall be used or sold on a "time-share" basis. Further, no Condominium Unit shall be leased for a period less than the period required in order for the Condominium Property to avoid being classified as a "public lodging establishment" as defined in Chapter 509, Florida Statutes.

21. RESTRAINT UPON SEPARATION AND PARTITION. Any transfer of a Condominium Parcel must include all elements thereof as aforescribed and appurtenances thereto, whether or not specifically described, including but not limited to the Unit Owner's share in the Common Elements and the Limited Common Elements and his or her Association membership. The shares in the Common Elements appurtenant to a Unit are undivided and no

action for partition of the Common Elements shall lie. Further, the undivided share in the Common Elements shall not be separated from the Condominium Unit and the share in the Common Elements appurtenant to a Condominium Unit cannot be conveyed or encumbered except together with the Condominium Unit.

22. USE RESTRICTIONS. In addition to other obligations and duties heretofore set out in this Declaration, every Unit Owner or occupant of a Condominium Unit shall abide by the following use restrictions and any rules and regulations adopted by the Association which are not inconsistent with the provisions set forth herein or the Exhibits hereto.

(a) Occupancy.

- (i) Each Unit shall be used as a single-family residence only, and no more than two (2) persons per bedroom shall be allowed to permanently reside in any one Unit. No business, profession or trade of any type shall be conducted on any Unit. This prohibition shall not be applicable to the Developer with respect to its development of the Condominium Property, its construction, decoration, repair, administration and sale, resale or lease of Units, or its use of Units as models or guest suites, nor shall it be applicable to those home office uses provided that they are in full compliance with all applicable laws, ordinances and codes. Nothing herein shall be construed to prohibit ownership of a Unit by a corporation, domestic or foreign. A Unit owned or leased by an individual(s), corporation, partnership, trust or other fiduciary may only be occupied by the following persons, and such persons' families: (i) the individual Unit Owner(s), (ii) an officer, director, stockholder, employee or designee of such corporation, (iii) a partner, employee or designee of such partnership, (iv) the fiduciary or beneficiary of such fiduciary, or (v) the permitted occupants under a lease permitted by this Declaration and any rules and regulations of the Association. The Board shall have the power to authorize occupancy of a Unit by persons in addition to those set forth above.

As used herein, single "family" or words of similar import shall be deemed to include a spouse, children, parents, brothers, sisters, grandchildren and other persons permanently cohabiting the Unit as or together with the Owner or permitted occupant thereof. As used herein, "guest" or words of similar import shall include only those persons who have a principal residence other than the Unit. Unless otherwise determined by the Board of Directors, a person(s) occupying a Unit for more than two (2) weeks without the Unit Owner or a member of his family being present shall not be deemed a guest but, rather, shall be deemed a lessee for purposes of this Declaration (regardless of whether or not a lease exists or rent is paid) and shall be subject to the provisions of this Declaration which apply to lessees.

(b) Alterations.

No structural additions or alterations (except the erection or removal of non-support carrying interior partitions located wholly within Units) to any Unit, the Common Elements, the Limited Common Elements or to the Association Property may be made without the prior written approval of the Board of Directors. Without limiting the generality of Paragraph 22(u) hereof, no Unit Owner shall cause or allow improvements or changes to his Unit, or to any Limited Common Elements, Common Elements, Association Property or the Building, which could in any way affect the structural, electrical, plumbing or mechanical systems of the Building, without first obtaining the prior written consent of the Association. No spas, hot tubs, whirlpools, screens or enclosures (other than those initially constructed by Developer) of any type or similar improvements shall be permitted on any patio, terrace or balcony.

(c) Nuisances.

No portion of the Units, Limited Common Elements or Common Elements shall be used, in whole or in part, for the storage of any property or thing that will cause it to appear to be in an unclean or untidy condition or that will be obnoxious or unsightly to the eye; nor shall any substance, thing, or material be kept on any portion of the Units or the Limited Common Elements appurtenant thereto that will emit foul or obnoxious odors or cause any noise or other condition that will or might disturb the peace, quiet, safety, comfort, or serenity of the Unit Owners or occupants of surrounding properties. No noxious or offensive activity shall be carried on in any Units, Limited Common Elements, Common Elements or other portions of the Condominium Property, nor shall anything be done therein which may be or become an unreasonable annoyance or nuisance to any Owner. The Board shall have the right to determine if any equipment, fixture, improvement, materials or activity producing such noise or odor constitutes a nuisance. In particular, during the hours from 10:00 p.m. through 8:00 a.m. no Unit Owner shall play (or permit to be played in its Unit, or in the Limited Common Elements or Common Elements or elsewhere in the Building) any musical instrument, phonograph, CD player, television, radio or the like in a way that unreasonably disturbs or annoys other Unit Owners or occupants. Additionally, there shall not be maintained therein any plants, animals, devices or things of any sort whose activities or existence is in any way noxious, dangerous, unsightly, unpleasant, or of a nature that may diminish or destroy the enjoyment of the Units, or any other portions of the Condominium Property. No outside burning of wood, leaves, trash, garbage, or household refuse shall be permitted within the Condominium Property. No activity specifically permitted by this Declaration shall be deemed a nuisance.

(d) Exterior Improvements.

Except with the prior written consent of the Board of Directors, no Owner shall perform or permit any of the following: (i) paint or otherwise change or alter the appearance of any exterior wall, door, window, patio, balcony, terrace or any exterior surface of the Building; (ii) place any sunscreen, blind, shutter or awning on any balcony, patio, terrace or exterior opening of the Building; (iii) place any draperies or curtains at the windows of any Unit facing the exterior of the Unit without a solid, light color liner acceptable in color to the Board of Directors; (iv) tint, color or otherwise treat or apply anything to any window which will adversely affect the uniform exterior appearance of the Building in the sole and exclusive opinion of the Board of Directors; (v) plant any planting outside of a Unit, provided however, Owners may place moveable plants on their terraces, but if such planted or potted plants become

unsightly in the opinion of the Board, such plants shall be removed; (vi) erect any exterior lights or signs; or (vii) place any signs or symbols in windows. The Developer shall at all times be exempt from the restrictions set forth in this Paragraph 22(d).

(e) Garbage.

No rubbish, refuse, garbage or trash shall be allowed to accumulate in places other than the receptacles (garbage containers or trash-chutes, if any) provided therefor, and each Unit, the Common Elements, the Limited Common Elements and property of the Association shall at all times be kept in a clean and sanitary condition. As long as curbside service is provided, trash cans shall not be put out for pick-up before 7 p.m. on the evening prior to the day of pick-up, and shall be retrieved and placed in the garage no later than 7 p.m. on the day of pick-up.

(f) Vehicles.

All automobiles shall be parked only in the parking spaces so designated for that purpose by the Association. Each Unit Owner agrees to notify all guests of the regulations regarding parking, and to require guests to abide by such parking regulations. No parking of commercial trucks of any nature or similar commercial vehicles shall be permitted for a period of more than four hours except temporarily during periods for purposes of actual construction or repair of a structure, or moving in or out and for moving or transferring furniture or for grounds maintenance. No commercial truck, commercial van, or other commercial vehicle, and no recreation vehicle shall be permitted to be parked overnight. Notwithstanding the foregoing, vans equipped for personal passenger use shall be permitted, even if such vans are not kept fully enclosed inside a structure. No boat, boat trailer or other trailer of any kind, camper, mobile home, motor home or disabled vehicle shall be permitted to be parked or stored on the Land. Any such vehicle or any of the properties mentioned in this subparagraph may be removed by the Association at the expense of the Unit Owner owning and/or responsible for the same, for storage or public or private sale, at the election of the Association; and the Unit Owner owning and/or responsible for the same shall have no right of recourse against the Association therefor. No repairing of automobiles, trailers, boats, campers, golf carts, or any other property of a Unit Owner will be permitted on the Land.

(g) Leases.

No lease of a Unit shall be for less than the entire Unit. No lease for a Unit shall be for a period of less than one (1) year. During the time a Unit is leased or occupied by others, the Owner thereof shall not have the right to use the Common Elements, the Limited Common Elements, the Association Property, and facilities except as a guest of another Owner or lessee, or to enforce its rights as landlord pursuant to Chapter 83, F.S. All Limited Common Elements appurtenant to a Unit may be leased only in connection with the lease of such Unit. Owner shall deliver a copy of this Declaration, the Articles of Incorporation and the Bylaws at the time that a lease is executed and any lessee of a Unit must adhere to all provisions of this Declaration, the Articles of Incorporation, the Bylaws, the rules and regulations of the Association, and any other applicable provisions of any other agreement, document or instrument governing the Condominium or administered by the Association or any other applicable governmental law, rule or regulation. The Board of Directors of the Association may prescribe a required form of lease

to be used in all lease transactions. Owners wishing to lease their Units shall be jointly and severally liable to the Association with the lessees of their Unit for any amount which is required by the Association to effect such repairs or to pay any claim for injury or damage to property or any person caused by or which is the responsibility of such lessee. All leases shall be in writing and shall provide that the Association shall have the right (i) to terminate the lease upon default by the tenant in observing any of the provisions of the Declaration of Condominium, the Articles of Incorporation, or Bylaws, the rules and regulations of the Association, or any other applicable provisions of any agreement, document or instrument governing the Condominium or administered by the Association, and (ii) to collect all rental payments due to the Owner and to apply same against unpaid Assessments if, and to the extent that, the Unit Owner is in default in the payment of Assessments.

(h) Animals.

Unit Owners and their lessees are granted a license to maintain not more than a total of two (2) pets, which must be either dogs or cats. In addition to cats and dogs, fish may be maintained wholly within a Unit. This license may be revoked by the Board and no pet will be permitted on the Condominium Property which creates a nuisance. In no event shall any animal other than cats, dogs or fish be kept in any Unit or Limited Common Element without the prior written consent of the Board, provided that if any such pets become a nuisance, the Board shall have the right to require their removal. The Board of Directors is authorized from time to time to make such rules restricting or permitting pets on the Condominium Property, including, without limitation, the size or weight of such pets and requirements that all animals be leashed. Neither the Board, Developer, nor the Association shall be liable for any personal injury, death or property damage resulting from a violation of the foregoing in rules and regulations governing pets and any Unit Owner and their lessees maintaining a pet on the Condominium Property shall indemnify and hold the Association, Developer, each Unit Owner and the Board harmless from any loss, claim or damage arising from or in connection with the maintenance of a pet on the Condominium Property. Use of the Common Elements may also be subject to other rules and regulations of the Association. Any such Owner or Occupant who reserves a portion of the Common Elements as provided herein shall assume, on behalf of himself or herself and his or her guests and family, all risks associated with the use of the Common Elements and all liability for any damage or injury to any person or thing as a result of such use. The Association shall not be liable for any damage or injury resulting from such use unless such damage or injury is caused solely by the willful acts or gross negligence of the Association, its agents or employees. Use of the Common Elements by an Owner or Occupant and more than six (6) guests shall constitute a "planned gathering," which shall be registered with the Board. Condominium Unit not owned by the Developer its successors or assigns, or any Limited Common Element appurtenant thereto.

24. TERMINATION. The Condominium may be terminated in the following manner:

The termination shall become effective when such agreement has been recorded in the Public Records of Clay County, Florida.

(b) Upon termination of the Condominium, the Condominium Property shall be owned in common by all the Unit Owners in the same undivided shares as each Unit Owner had in the Common Elements pursuant to the provisions of this Declaration. All liens shall be transferred to the undivided share in the Condominium Property attributable to the Condominium Unit originally encumbered by the lien in its same priority. Within thirty (30) days after recordation of the instrument evidencing the termination, the Board of Directors of the Association shall notify the Division of Florida Land Sales, Condominiums and Mobile Homes (the "Division") of the termination, the date, county and recording reference where the document was recorded and shall provide the Division with a copy of the recorded document certified by the county clerk.

(c) Upon agreement to terminate in accordance with paragraph 24(a) or upon failure to approve reconstruction after Major Damage as provided in paragraph 18(g)(2), the Board of Directors of the Association shall provide written notice to the Division (or such successor governmental entity that exists for such purpose from time to time) of such intended termination as required by the Condominium Act.

(a) Invalidation of any portion of this Declaration or of any provision contained in a conveyance of a Condominium Unit, whether by judgment or court order or law, shall not affect any of the other provisions, which shall remain in full force and effect.

(b) In the event any court should hereafter determine that any provision as originally drafted herein violates the rule against perpetuities or any other rule of law because of the duration of the period involved, the period specified in this Declaration shall not thereby become invalid, but instead shall be reduced to the maximum period allowed under such rule of law and for such purpose measuring lives shall be those of the incorporator of the Association.

27. INTERPRETATION. Whenever the context so requires, the use of any gender shall be deemed to include all genders, and the use of the plural shall include the singular, and the singular shall include the plural. All specifications adopted by the Board shall comply with the applicable building code. In the event that mortgagee consent is required for any amendment to this Declaration pursuant to Paragraph 13, the approval of fifty-one percent (51%) of the Institutional Mortgagees holding mortgages of record on Condominium Units in the Condominium shall be required. In any event, such consent shall not be unreasonably withheld, conditional or delayed.

An addition or amendment shall not be considered material if it is for the purpose of correcting technical or scrivener's errors, or for clarification only. An Institutional Mortgagee who receives a written request from the Association to approve material additions or amendments to the above items who does not deliver or post a negative response to the Association within thirty (30) days shall be deemed to have approved such addition or amendment.

34. DISCLAIMER OF WARRANTIES.

DEVELOPER HEREBY DISCLAIMS ANY AND ALL EXPRESS OR IMPLIED WARRANTIES OR REPRESENTATIONS OF ANY KIND, AS TO CONTINUANCE OF ANY PARTICULAR VIEW (IT BEING UNDERSTOOD AND AGREED THAT CONSTRUCTION ON ANY ADJACENT PROPERTIES MAY OBSTRUCT OR ALTER SUCH VIEW), DESIGN, CONSTRUCTION, SOUND TRANSMISSION, FURNISHING AND EQUIPPING OF THE CONDOMINIUM PROPERTY, EXCEPT ONLY THOSE SET FORTH IN SECTION 718.203 OF THE CONDOMINIUM ACT, TO THE EXTENT APPLICABLE AND TO THE EXTENT THAT SAME HAVE NOT EXPIRED BY THEIR TERMS. AS TO SUCH WARRANTIES WHICH CANNOT BE DISCLAIMED, AND TO OTHER CLAIMS, IF ANY, WHICH CAN BE MADE AS TO THE AFORESAID MATTERS, ALL INCIDENTAL AND CONSEQUENTIAL DAMAGES ARISING THEREFROM ARE HEREBY DISCLAIMED. ALL OWNERS, BY VIRTUE OF ACCEPTANCE OF TITLE TO THEIR RESPECTIVE UNITS (WHETHER FROM THE DEVELOPER OR ANOTHER PARTY) SHALL BE DEEMED TO HAVE AUTOMATICALLY WAIVED ALL OF THE AFORESAID DISCLAIMED WARRANTIES AND INCIDENTAL AND CONSEQUENTIAL DAMAGES.

35. LIABILITY.

NOTWITHSTANDING ANYTHING CONTAINED HEREIN OR IN THE ARTICLES OF INCORPORATION, BY-LAWS, ANY RULES OR REGULATIONS OF THE ASSOCIATION OR ANY OTHER DOCUMENT GOVERNING OR BINDING THE ASSOCIATION (COLLECTIVELY, THE "ASSOCIATION DOCUMENTS"), THE ASSOCIATION SHALL NOT BE LIABLE OR RESPONSIBLE FOR, OR IN ANY MANNER A GUARANTOR OR INSURER OF, THE HEALTH, SAFETY OR WELFARE OF ANY OWNER, OCCUPANT OR USER OF ANY PORTION OF THE CONDOMINIUM PROPERTY INCLUDING, WITHOUT LIMITATION, RESIDENTS AND THEIR FAMILIES, GUESTS, INVITEES, AGENTS, SERVANTS, CONTRACTORS OR SUBCONTRACTORS OR FOR ANY PROPERTY OF ANY SUCH PERSONS. WITHOUT LIMITING THE GENERALITY OF THE FOREGOING:

- (i) IT IS THE EXPRESS INTENT OF THE ASSOCIATION DOCUMENTS THAT THE VARIOUS PROVISIONS THEREOF WHICH ARE ENFORCEABLE BY THE ASSOCIATION AND WHICH GOVERN OR REGULATE THE USES OF THE CONDOMINIUM PROPERTY HAVE BEEN WRITTEN, AND ARE TO BE INTERPRETED AND ENFORCED, FOR THE SOLE PURPOSE OF ENHANCING AND MAINTAINING THE ENJOYMENT OF THE CONDOMINIUM PROPERTY AND THE VALUE THEREOF;

- (ii) THE ASSOCIATION IS NOT EMPOWERED, AND HAS NOT BEEN CREATED, TO ACT AS AN ENTITY WHICH ENFORCES OR ENSURES THE COMPLIANCE WITH THE LAWS OF THE UNITED STATES, STATE OF FLORIDA, CLAY COUNTY, AND/OR ANY OTHER JURISDICTION OR THE PREVENTION OF TORTIOUS ACTIVITIES; AND
- (iii) ANY PROVISIONS OF THE CONDOMINIUM DOCUMENTS SETTING FORTH THE USES OF ASSESSMENTS WHICH RELATE TO HEALTH, SAFETY AND/OR WELFARE SHALL BE INTERPRETED AND APPLIED ONLY AS LIMITATIONS ON THE USES OF ASSESSMENT FUNDS AND NOT AS CREATING A DUTY OF THE ASSOCIATION TO PROTECT OR FURTHER THE HEALTH, SAFETY OR WELFARE OF ANY PERSON(S), EVEN IF ASSESSMENT FUNDS ARE CHOSEN TO BE USED FOR ANY SUCH REASON.

EACH UNIT OWNER (BY VIRTUE OF HIS OR HER ACCEPTANCE OF TITLE TO HIS OR HER UNIT) AND EACH OTHER PERSON HAVING AN INTEREST IN OR LIEN UPON, OR MAKING ANY USE OF, ANY PORTION OF THE CONDOMINIUM PROPERTY (BY VIRTUE OF ACCEPTING SUCH INTEREST OR LIEN OR MAKING SUCH USES) SHALL BE BOUND BY THIS PROVISION AND SHALL BE DEEMED TO HAVE AUTOMATICALLY WAIVED ANY AND ALL RIGHTS, CLAIMS, DEMANDS AND CAUSES OF ACTION AGAINST THE ASSOCIATION ARISING FROM OR CONNECTED WITH ANY MATTER FOR WHICH THE LIABILITY OF THE ASSOCIATION HAS BEEN DISCLAIMED IN THIS PROVISION. AS USED IN THIS PARAGRAPH, "ASSOCIATION" SHALL INCLUDE WITHIN ITS MEANING ALL OF THE ASSOCIATION'S DIRECTORS, OFFICERS, COMMITTEE AND BOARD MEMBERS, EMPLOYEES, AGENTS, MANAGERS, CONTRACTORS, SUBCONTRACTORS, SUCCESSORS AND ASSIGNS AND SHALL ALSO INCLUDE THE DEVELOPER, WHICH SHALL BE FULLY PROTECTED HEREBY.

36. CONSTRUCTION. In the case of any inconsistencies between the terms of this Declaration and the Master Declaration, the terms of the more restrictive provisions shall control, unless such terms of this Declaration are prohibited by the Master Declaration, and, in that event, the terms of the Master Declaration shall control. The Association shall be subject to all superior rights and powers which have been conferred upon the Master Association, pursuant to the Master Declaration, except to the extent prohibited by law, and the Association shall take no action in derogation of the rights of, or contrary to the interest of, the Master Association.

37. DISCLOSURES. Each Owner and any Occupant acknowledges and understands:

- (a) The Condominium is located adjacent to thoroughfares that may be affected by traffic and noise from time to time and may be improved and/or widened in the future.

(b) The views from and natural light available to a Unit may change over time due to, among other circumstances, additional development and the removal or addition of landscaping.

(c) No representations are made regarding the zoning of adjacent property, or that the category to which adjacent property is zoned may not change in the future.

(d) No representations are made regarding the development potential of property located adjacent to the Condominium.

(e) No representations are made regarding the schools that currently or may in the future serve the Condominium.

(f) Since in every community there are conditions which different people may find objectionable, Owner acknowledges that there may be conditions outside of the Condominium that Owner may find objectionable and that it shall be the sole responsibility of Owner to become acquainted with neighborhood conditions that could affect the Unit.

(g) Plumbing and concrete, tile and hardwood surfaces within a Unit may transmit noise, and such noise shall not constitute a use of a Unit that interferes with or causes disruption to the use and quiet enjoyment of another Unit by its respective Owner and/or Occupant.

(h) No representations are made that the Unit is or will be soundproof or that sound may not be transmitted from one Unit to another. Sound transmission between Units is inherent in multi-family construction and is not a warrantable condition.

(i) The Condominium floor plans and the dimensions and square footage calculations shown thereon are only approximations. Any Owner who is concerned about any representations regarding the floor plans should do his/her own investigation as to the dimensions, measurements and square footage of his /her Unit.

(j) Developer's agents will be constructing portions of the Condominium and engaging in other construction activities related to the construction of common elements. Such construction activities may, from time to time, produce certain conditions on the Condominium, including, without limitation: (i) noise or sound that is objectionable because of its volume, duration, frequency or shrillness; (ii) smoke; (iii) noxious, toxic, or corrosive fumes or gases; (iv) obnoxious odors; (v) dust, dirt or flying ash; (vi) unusual fire or explosion hazards; (vii) temporary interruption of utilities; and/or (viii) other conditions that may threaten the security or safety of persons on the Condominium. Notwithstanding the foregoing, Owner agrees that such conditions on the Condominium resulting from construction activities shall not be deemed a nuisance or discomfort to Owner and shall not cause Developer and its agents to be deemed in violation of any provision of the Declaration.

(k) Mold and/or mildew can grow in any portion of the Condominium that is exposed to elevated levels of moisture. The Association and each Condominium unit owner agree to: (i) regularly inspect the parts of the Condominium that they respectively maintain, and which are visible and accessible without having to first remove building components or conduct

invasive testing, for the existence of mold, mildew, and/or water intrusion and/or water damage; (ii) upon discovery, immediately repair in a good and workmanlike condition the source of any water intrusion in the parts of the Condominium that they respectively maintain; (iii) remediate or replace, in accordance with current industry-accepted methods, any building material located in the parts of the Condominium that they respectively maintain that has absorbed water or moisture as a result of water intrusion; and (iv) promptly and regularly remediate, in accordance with current industry accepted methods, all mold and/or mildew discovered in the parts of the Condominium that they respectively maintain. In addition, the Association agrees to notify the Units Owners, and each Condominium unit owner agrees to notify the Association of the discovery of mold, mildew, and/or water intrusion and/or damage in the parts of the Condominium that they respectively maintain.

(l) Exposed concrete surfaces in portions of the Condominium that are not heated and cooled are subject to cracking due to (i) water penetration, (ii) expansion and contraction of the concrete with temperature changes, and (iii) building settlement.

(m) Concrete surfaces in heated and cooled portions of the Condominium are subject to cracking due to building settlement.

(n) The Unit may trap humidity created by general use and occupation of such space (cooking, bathing, laundering etc.). As a result, condensation may appear on the interior portion of windows and glass surfaces and fogging of windows and glass surfaces may occur due to temperature disparities between the interior and exterior portions of the windows and glass. If left unattended and not properly maintained by Owner, the condensation may increase resulting in staining, damage to surrounding seals, caulk, paint, wood work and sheetrock, and potentially mold and/or mildew (see subparagraph (k) above).

(o) Portions of the Condominium will not be landscaped and will be allowed to return to its natural state.

(p) Developer shall not be responsible for responding to or taking any affirmative action on behalf of the Association or an individual member of the Association to mitigate, alleviate, remedy or cure any off-site conditions that may directly impact the Condominium or any portion thereof, and such inaction by the Developer shall not constitute a breach of fiduciary duty by the directors and officers of the Association that are appointed by the Developer, pursuant to Article XII of the Articles of Incorporation of the Association.

(q) While the drainage system for surface water runoff on the Condominium will be constructed in accordance with applicable governmental standards, the Condominium may still be subject to erosion and/or flooding during unusually intense or prolonged periods of rain.

(r) Owner hereby grants Developer the right to obtain and use photography of the Condominium for publication and advertising purposes.

(s) Owner consents to the Developer changing, in its sole discretion, the Condominium name and the street names and addresses in the Condominium including the street address of the Unit before or after closing.

(t) Owner acknowledges that the performance and methods and practices of operating heating and cooling systems can be directly affected by the orientation and location of a room or Unit in relation to the sun. Developer shall, therefore, have no obligation other than to install a heating and cooling system at the Unit which has been sized and designed based on industry standards for the type and size of unit to be constructed and which functions in accordance with industry standards.

(u) The cost of upgrades may not necessarily result in a commensurate increase in the value of the Unit.

(v) No representations are made that any room, wall, ceiling or floor in any dwelling on the Unit or any pipes located therein will be soundproof.

(w) No representations are made that the systems in the Unit including, by way of example only, heating and air conditioning and electrical systems will operate or perform at a level or standard greater than the minimum specifications of the manufacturer.

(x) Since trees and landscaping existing on the Condominium prior to the commencement of construction thereon may be adversely affected or even killed by construction activities, Developer shall have no responsibility for the same.

(y) Light may emit from the parking facility located on the Condominium as well as those located on adjacent properties.

(z) Railings constructed of a fiberglass material may "hum" in windy conditions.

(aa) The Condominium is located adjacent to a golf course and errant golf balls may enter the Condominium Property and cause damage to persons or property.

(bb) The Condominium is located in a larger community with significant open space, conservation areas and wetlands and wildlife, including without limitation, alligators may from time to time appear on the Condominium Property.

(cc) Joints in wood portions of the Condominium are subject to joint expansion due to (i) expansion and contraction of the wood with temperature changes, and (ii) building settlement.

(dd) Exhaust vents and louvers for venting from bathrooms, kitchens and laundry rooms are located on or near balconies, and noise, odors and grime may be emitted from such areas.

(ee) The Condominium Property is located within a master planned community, which includes other residences and common areas, and is subject to, among other things, the Eagle Harbor Declaration of Covenants, Conditions, Restrictions, Limitations and Easements, recorded in O.R. Book 1461, beginning on Page 896, of the Public Records of Clay County, Florida, as amended (the "Master Declaration"). The Master Declaration provides, among other things, that every member of the Eagle Harbor Association, Inc. (the "Master Association"), shall have a right of enjoyment and use in and easement to the Common Areas as

described in the Master Declaration ("Master Common Areas"), which right and easement shall be appurtenant to, and shall pass with title to every unit, subject to the right of the Master Association to charge reasonable admission, assessments and other fees for the use and maintenance of the Master Common Areas and for other property more particularly described in the Master Declaration. The Master Declaration also provides, among other things, for architectural approval of certain improvements by the Declarant (as defined in the Master Declaration) including, without limitation, exterior alterations, change in exterior color and landscaping. Membership in the Master Association is mandatory and automatic with ownership of a Unit. The Master Declaration provides that every member of the Master Association (which includes the Unit Owners) agrees to pay assessments to the Master Association and if required by the Master Association, such assessments shall be collected by the Association and remitted to the Master Association. The Assessments are currently determined on a per unit basis, and the amount of such assessment is subject to change. The assessment together with interest and cost of collection, will be a continuing lien against each unit against which assessment is made.

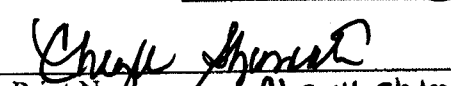

(ff) This Condominium Property is located within the Crossings at Fleming Island Community Development District (the "District"). The District may impose and levy taxes or assessments, or both taxes and assessments, on the Condominium Property and any Unit and its appurtenant Common Elements. These taxes and assessments pay the construction, operation, and maintenance costs of certain facilities and services of the District and are set annually by the governing board of the District. Such taxes and assessments are in addition to County and other local governmental taxes and assessments and all other taxes and assessments provided for by law, and are separate and apart from Condominium Association Assessments and Master Association Assessments.

If a meeting of the members has been called and a quorum is not attained or a substitute budget is not adopted by the members, the budget adopted by the Board of Directors shall go into effect as scheduled. In determining whether assessments exceed 115 percent of similar assessments in prior years, any authorized provisions for reasonable reserves for repair or replacement of the Condominium Property, anticipated expenses by the Association which are not anticipated to be incurred on a regular or annual basis or assessments for betterments to the Condominium Property shall be excluded from the computation. However, as long as the Developer is in control of the Board of Directors, the Board of Directors shall not impose an assessment for any year greater than 115 percent of the prior fiscal or calendar year’s assessment without approval of a majority of all the voting interests.

Section 5. No business shall be transacted at any special meeting except as stated in the notice thereof unless by vote of not less than two-thirds (2/3) of the voting interests of those present and voting. Notice shall be given by the Secretary of all special meetings, or if the Secretary shall fail to do so, by the President or Board of Directors, not less than fourteen (14) days before the date thereof, stating the date, time, and place of the meeting and the purpose or purposes thereof. Notices deposited in the mail, postage prepaid, and addressed to the members’ last known addresses according to the Association’s records, within the prescribed time or, in lieu of mailing, delivered by hand to the members or left at their residences in their absence,

shall suffice. In addition to such written notice, the secretary shall conspicuously post continuous notice of the meeting at least ten (10) days prior thereto at the specific location as provided in Section 2 above. Members may waive such notice and may act by unanimous written agreement without meetings, for any matter not prohibited by Chapter 617 or Chapter 718, Florida Statutes.

Section 6. The percentage of voting interest required to constitute a quorum at a meeting of the members shall be a majority of the voting interest, but members present at any meeting, although less than a quorum, may adjourn the meeting to a future date.

Section 7. When a quorum is present at any meeting, the holders of a majority of the voting interests present in person or represented by written proxy as provided in Article XII, Section 2, of the Articles of Incorporation or by voting trustee shall decide any question brought before the meeting, unless the question is one upon which by express provision of the Condominium Act, the Declaration of Condominium, the Articles of Incorporation, or these Bylaws, a different vote is required, in which case the vote prescribed by the Declaration of Condominium, the Articles of Incorporation, these Bylaws or the Condominium Act shall control.

Section 8. The order of business at all meetings shall be as prescribed in the agenda prepared by the Board of Directors and submitted to the members with the notice of each meeting.

Section 9. Members shall have a right to participate in meetings of members with reference to all designated agenda items. However, the Association may adopt reasonable rules governing the frequency, duration and manner of member participation.

Section 10. Any member may tape record or videotape a meeting of the members subject to reasonable rules adopted by the Division of Florida Land Sales, Condominiums and Mobile Homes.

ARTICLE III BOARD OF DIRECTORS

Section 1. The number, terms of office, and provisions regarding removal and filling of vacancies of the Board of Directors shall be as set forth in the Articles of Incorporation.

Section 2. The annual meeting of the Board of Directors shall be held immediately following the annual meeting of the members and at the same place.

Section 3. Regular meetings of the Board of Directors may be held at such time and place permitted by law and from time to time as may be determined by the directors, and special meetings may be called by the president or a majority of the Board of Directors. Notice of regular meetings and special meetings of the Board of Directors shall be given to each director by telegram or hand delivered or by United States mail sent at least three (3) days prior to the meeting as provided in Section 2 except as otherwise provided herein. The Board of Directors may, by resolution duly adopted, establish regular monthly, quarterly, or semi-annual meetings in which event no notice need be sent to the Directors, once, said schedule has been adopted. All

meetings of the Board of Directors shall be open to the members of the Association, who shall be given conspicuously posted continuous notice forty-eight (48) hours in advance thereof except in an emergency. Notwithstanding the foregoing, written notice of any meeting at which non-emergency special assessments or at which an amendment to the rules regarding unit use will be proposed, discussed or approved, shall be mailed or delivered to members and conspicuously posted on the condominium property as provided in Article II, Section 2 above not less than fourteen (14) days prior to the meeting. Evidence of compliance with this fourteen (14) day notice requirement shall be made by an affidavit executed by the secretary and filed among the official records of the Association.

Section 4. At all meetings of the Board of Directors, a majority shall be necessary and sufficient to constitute a quorum for the transaction of business, and the act of a majority present at any meeting shall be the act of the Board of Directors, except as may be otherwise specifically provided by statute or by the Articles of Incorporation. At any meeting of the Board of Directors at which a quorum is not present, the presiding officer may adjourn the meeting from time to time. Directors may not vote by proxy or by secret ballot at board meetings, except that officers may be elected by secret ballot. A vote or abstention for each director present shall be recorded in the minutes.

Section 5. The order of business of all meetings of the Board of Directors shall be as prescribed in an agenda furnished each member of the Board of Directors by the President.

Section 6. The Board of Directors shall have and exercise all lawful powers and duties necessary for the proper conduct and administration of the affairs of the Association and for the exercise of its rights, powers, duties and functions. The Board of Directors may do or cause to be done all other lawful acts and things that are not by law, the Declaration of Condominium, these Bylaws or the Articles of Incorporation or otherwise, directed or required to be done or exercised by the members of the Association.

Section 7. The Board of Directors elected by the members shall be elected by written ballot or voting machine. Proxies shall not be used in electing the Board of Directors, either in general elections or elections to fill vacancies caused by recall, resignation or otherwise, unless otherwise permitted by Chapter 718, Florida Statutes, the Condominium Act. Not less than sixty (60) days before a scheduled election, the Association shall mail or deliver, whether by separate Association mailing so included in another Association mailing or delivery including regularly published newsletters, to each member a first notice of the date of the election. Any member desiring to be a candidate for the Board of Directors must give written notice to the Association not less than forty (40) days before a scheduled election. Together with the written notice and agenda set forth in Article II, Section II hereof, the Association shall mail or deliver a second notice of election to all Unit Owners entitled to vote thereon, together with a ballot which shall list all candidates. Upon request of a candidate, the Association shall include an information sheet, no larger than 8 1/2 inches by 11 inches, which must be furnished by the candidate not less than thirty-five (35) days before the election, to be included with the mailing of the ballot, with the costs of mailing and copying to be borne by the Association. However, the Association shall have no liability for the contents of the information sheets prepared by the candidates. Elections shall be decided by a plurality of those ballots cast. There shall be no quorum requirement; however, at least twenty percent (20%) of the eligible voters must cast a ballot in order to have a

valid election of Directors. No member shall permit any other person to vote his ballot, and any such ballots improperly cast shall be deemed invalid. A member who needs assistance in casting the ballot for the reasons stated in Section 101.051, Florida Statutes, may obtain assistance in casting the ballot. Any member violating this provision may be fined by the Association in accordance with Section 718.303, Florida Statutes. The regular election shall occur on the date of the annual meeting as set forth in Article II, Section 2. Notwithstanding the provisions of this subparagraph, an election and balloting are not required unless more candidates file notices of intent to run than vacancies exist on the Board of Directors.

Section 8. When a member files a written inquiry by certified mail with the Board of Directors, the Board of Directors shall respond in writing to the member within thirty (30) days of receipt of the inquiry. The Board of Directors' response shall either give a substantive response to the inquirer, notify the inquirer that a legal opinion has been requested, or notify the inquirer that advice has been requested from the Division of Florida Land Sales, Condominiums and Mobile Homes (the "Division"). If the Board of Directors requests advice from the Division, the Board of Directors shall, within ten (10) days of its receipt of the advice, provide in writing a substantive response to the inquirer. If a legal opinion is requested, the Board of Directors shall, within sixty (60) days after the receipt of the inquiry, provide in writing a substantive response to the inquirer. The failure to act within thirty (30) days and to notify the member within thirty (30) days after the action taken precludes the Board of Directors from recovering attorneys' fees and costs in any subsequent litigation, administrative proceeding, or arbitration arising out of the inquiry.

ARTICLE IV

Section 3. The Secretary shall have charge of the minute book and such records and papers as the Board of Directors may direct and shall perform all duties incident to the office of Secretary, including the sending of notices of meetings to the members

of the Board of Directors and committees, and such other duties as may be prescribed by the Bylaws or by the Board of Directors or the President. He shall also have custody of the corporate seal and when authorized by the Board of Directors, affix the same to any instrument requiring it and attest the same when appropriate. He shall comply and keep up to date, at the principal office of the Association, a complete list of the members and their last known office addresses, and the names and addresses of any proxy holders or voting trustees. The Secretary shall make the minute books available for inspection by the members and Directors at all reasonable times.

Section 4. The Vice-President or Vice-Presidents shall be vested with all the powers and required to perform all the duties of the President in his absence, and such other duties as may be prescribed by the Board of Directors. In the event there is more than one Vice-President, the Board of Directors may prescribe the order in which the Vice Presidents shall assume control in the absence of the president.

Section 5. The Treasurer shall have responsibility for the Association's funds and shall keep full and accurate accounts of receipts and disbursements in books belonging to the Association and shall deposit all monies, checks, and other valuable effects in the name and to the credit of the Association in such depositories as may from time to time be designated by the Board of Directors. He shall disburse the funds of the Association as may from time to time be ordered by the Board of Directors or by the President, shall make proper vouchers for such disbursements, and shall render to the President and the Board of Directors, at the regular meetings of the Board of Directors or whenever they or either of them shall require, an account of his transactions as treasurer of the financial condition of the Association. He shall, in addition, keep all books and records of account as may be required by Section 718.111, Florida Statutes, and other sections of the Condominium Act or any other applicable law. The accounting records of the Association shall be available for inspection by the members at all reasonable times, and a summary thereof shall be provided to each member along with the notice of the annual meeting required in Article II, Section 2, hereof.

ARTICLE V

MANNER OF COLLECTING FROM THE

UNIT OWNERS THEIR SHARES OF THE COMMON EXPENSES

Section 1. The Association shall collect from the members their respective shares of the common expenses in accordance with the procedure prescribed in the Declaration of Condominium. Assessments shall be determined, imposed, utilized and enforced as provided for in the Declaration of Condominium. The Board of Directors has the power to and shall from time to time fix and determine the amounts necessary to pay all the expenses of the Association and establish reasonable budgets therefor from time to time, all in accordance with the terms of the Declaration of Condominium.

Section 2. Regular assessments shall be paid by the members on a monthly basis, unless the membership shall approve a different period of payment, but in no event shall such payment be less frequent than quarterly.

Section 3. When the Board of Directors has determined the amount of any assessment, the Secretary shall transmit a statement of such assessment to each member. Assessments are payable at the office of the Association or such other place as the Board of Directors determines.

Section 4. Regular and special assessments are necessarily made upon projections and estimates of the Board of Directors, and may be in excess of or less than the sums required to meet the cash requirements of the Association, in which event the Board of Directors may increase or decrease the amount of such an assessment and make such adjustments, in cash or otherwise, as it shall deem proper, including the assessment of each member of his proportionate share of any deficiency. Notice of all changes in the assessments shall be given to all members. Assessments are due on the dates stated in the Notice of Assessment, and thereafter may bear interest to the rate established by the Board of Directors which shall not exceed the highest lawfully permissible rate.

Section 5. In the event an assessment is not paid within the time permitted therefore in the Declaration of Condominium, and these Bylaws the Association, through the Board of Directors, may proceed and enforce said assessments from the delinquent member in any manner provided by the law respecting mortgage liens, the Declaration of Condominium, and these Bylaws. Each member shall be individually responsible for the payment of the assessments against his unit, due during his ownership and for the payment of attorney's fees and cost incurred by the Association and the collection of sums due and the enforcement of any lien held by the Association respect therefore.

ARTICLE VI

AUTHORITY OF DIRECTORS

Section 1. The Board of Directors may from time to time adopt such uniform administrative rules and regulations governing the details of the operation of the condominium, and restrictions upon and requirements respecting the use and maintenance of the units and of the common elements of the condominium as may be deemed necessary and appropriate from time to time to assure the enjoyment of all members and to prevent unreasonable interference with the use of the units and the common elements, as shall not be inconsistent with the Condominium Act, the Declaration of Condominium, the Articles of Incorporation, and these Bylaws. A copy of such regulations shall be furnished to each member and subsequent purchasers of units upon request.

Section 2. In the event of a violation (except for the non-payment of an assessment) of any of the provisions of the Declaration of Condominium, these Bylaws, the Rules and Regulations of the Association or the Articles of Incorporation or of any law, the Association, after reasonable notice to cure of not less than fifteen (15) days, shall have all rights and remedies provided by law (and such remedies shall or may be cumulative with the remedies set forth in the Declaration of Condominium and the Articles of Incorporation) including without limitation the right to sue for damages, the right to injunctive relief and for violations of any of the provisions of the Declaration of Condominium, these Bylaws, or the Rules and Regulations of the Association, the right to charge any offending member a fine not to exceed \$100.00 for each violation (except for the non-payment of an assessment) or each day of a continuing

violation, provided that no such fine shall exceed \$1,000.00, after following the procedures described below and, in the event of failure to pay assessments, the right to foreclose its lien provided in the Declaration of Condominium. In every such proceeding the member at fault shall be liable for court costs and the Association's attorney's fees. If the Unit Owner remains in possession of the Unit after a foreclosure judgment has been entered, the court, in its discretion, may require the Unit Owner to pay a reasonable rental for the Unit. A suit to collect unpaid assessments may be prosecuted by the Association without waiving the lien securing such unpaid assessments. In the prosecution of any violation (except for the non-payment of an assessment of the provisions of the Declaration of Condominium these Bylaws, or the Rules and Regulations of the Association), the Association shall give the offending member written notice of the violation and an opportunity for hearing which shall not occur earlier than fifteen (15) days from the sending of the notice of violation. The hearing must be held before a committee of other unit owners. If the committee does not agree with the fine, the fine may not be levied. The notice of violation shall include the following:

- (a) A statement of the date, time and place of the hearing;
- (b) A statement of the provisions of the Declaration of Condominium, the Bylaws, the Rules and Regulations of the Association or the Articles of Incorporation which have been violated; and
- (c) A short and plain statement of the matters asserted by the Association.

The party against whom the charge is sought to be levied shall have an opportunity to respond, to present evidence, and to provide written and oral argument on all issues involved and shall have an opportunity at the hearing to review, challenge and respond to any material considered by the Association.

ARTICLE VII

Section 1. The fiscal year of the Association shall begin on the first day of January in each year, provided, however, that the Board is authorized to change to a different fiscal year at such times as the Board of Directors deems it advisable.

Section 2. The proposed annual budget of common expenses shall be detailed and shall show the amounts budgeted by accounts and expense classifications, including, if applicable, but not limited to, those expenses listed in Section 718.504(21), Florida Statutes.

Section 3. In addition to annual operating expenses, the budget shall include reserve accounts for capital expenditures and deferred maintenance which reserve accounts may be waived at a meeting of the unit owners. These accounts shall include, among other things, roof replacement, building painting, and pavement resurfacing. The amount to be reserved shall be computed by means of a formula which is based upon estimated remaining useful life and estimated replacement cost of each reserve item. The Association may adjust replacement reserve assessments annually to take into account any changes in estimates or extension of the useful life of a reserve item caused by deferred maintenance.

Section 4. If the Association operates and manages more than one condominium, a separate budget shall be adopted for each such condominium, along with a separate budget for the Association and expenses specific to a separate condominium, such as maintenance, repair, replacement of the common elements of said condominium of that separate condominium or shall be provided for in the budget of the specific condominium, rather than the separate budget of the Association, unless the condominiums are consolidated for financial purposes pursuant to Chapter 718, Florida Statutes. Further, with regard to the separate budget adopted for each separate condominium, the provision set forth in Article II, Section 4, hereof for calling a special meeting and enacting a budget if an adopted budget requires assessments in excess of 115% of the assessments for the proceeding year, shall apply to each separate budget for each separate condominium, where applicable; and only unit owners of the condominium(s) whose budget is/are being considered at the special meeting called to consider and enact same shall be allowed to vote on the separate budget for their particular condominium.

ARTICLE VIII **SEVERABILITY**

If any paragraph, sentence, clause, or portion thereof of any provision of these Bylaws shall be held invalid, it shall not affect the validity of the remaining parts thereof.

ARTICLE IX **AMENDMENT**

Amendments to these Bylaws shall be proposed by a resolution adopted by a two-thirds (2/3) vote of the Board of Directors. The resolution shall then be presented to the membership of the Association. A two-thirds (2/3) vote of the voting interest of the members shall be necessary to amend the Bylaws.

ARTICLE X **ARBITRATION**

Any matter of controversy or dispute arising from the operation of the condominium between or among the Developer, members, the Association and their agents and assigns, may be settled by mandatory non-binding arbitration in accordance with the rules provided therefor by the American Arbitration Association and the laws of the State of Florida, including, without limitation, the procedures set forth in § 718.1255.

ARTICLE XI **AGREEMENT REGARDING MAINTENANCE PROCEDURE**

The Board of Directors has received a copy of the Maintenance Manual provided by the general contractor constructing the Condominium or an independent maintenance contractor which provides guidelines for the inspection and maintenance of the Condominium Property. The Board of Directors shall take such action as is necessary to cause the Association to comply with the inspection and maintenance procedures recommended in the maintenance Manual, and maintain building maintenance records documenting such compliance.

ARTICLE XII
