

STEMMISTA

FAQ.

What is STEM Mista?

The STEM Mista program was created to empower young men aged 14-17 who enjoy STEM subjects but may not be certain about pursuing those careers.

Who is STEM Fast Track?

STEM FastTrack was founded in 2018 by Teresa Janowski who has over 25 years STEM Industry experience. STEM FastTrack offers unique programs for students in high school.

Why should I send my child / student to STEM Mista?

The program opens their eyes to what life is really like after school and helps them realise that they can be part of the stem world.

How much does it cost?

\$500 plus GST

Who should pay?

This varies from school to school. Please discuss this with the referring teacher.

What is included in the costs?

Tuition over three days covering real life skills, exposure to world class STEM people (Uni Students, Graduates, STEM Professionals, CEO's, Entrepreneurs), pack with textas/pens, notebook in a hard cover carry case. Light catering is also provided over the three days.

What is not included?

Transport to and from the venues.

Where is the program held?

The program is delivered over three days at our industry partners board rooms and at Universities.

How do I register?

Please complete the registration form in PDF (available on our website). Teachers can also book multiple students by completing a single spreadsheet.

Do I need a referral by the student's teacher?

Yes as we need to know that your child is interested in STEM.

I have more questions, who do I ask?

Please reach out to Teresa on hello@STEMFastTrack.com.au
