RE: STX Youth Soccer's Virtual Governing Board Meeting Postponement

Due to the cold weather event of the last week significant number of our members have been impacted by power and water outages as well as property damages caused by the weather conditions. Therefore the Executive Committee has made the decision to reschedule the 2021 Winter GBM from Saturday February 20th to now **Sunday, March 7th**.

While we understand the inconvenience this rescheduling may cause, we want to insure that our members can focus on any critical recovery tasks necessary at this time.

Further communications will be sent out from South Texas as the details of the rescheduled meeting become finalized and additionally be updated on the [GBM Website](#).

In the meantime take care and be safe during this time.

Respectfully,

Chris Delag

South Texas Youth Soccer President
