Our weeks are packed with obligations. Meeting deadlines, behaving ourselves and remembering to pay the bills. We know the drill of Monday to Friday. That's why we got you on Saturday! #BBB will be the safe haven where you'll let all the obligations roll off your shoulders and where you won't pay, but spend the bills in A+ clubs around the world.

A place where you can show off yourself and celebrate like dawn will never show its face again. Live it up and leave the drama at the doorstep of the club.

MUSIC

Our audience vibes with us on the most dynamic sets, bringing quality R&B, hiphop, house and urban tunes by a fine selection of (inter)national DJ's. Tell your friends to tell their friends to tell the whole world: There is no arrogance in showing you're doing well!

ENTERTAINMENT

During our nights the clubs will be bursting of cool acts and the exclusive mezzanine will be packed with urban elite. The place where “what happened last night” will be reinvented.

COMMUNITY

A luxurious and hard to please audience that is triggered by all that shines. It’s a group that needs to be swayed of their feet by appearance. Who’s not easily impressed and needs relevance in order to function - if you’re not relevant, you do not function.
