- **WHERE TO PLAY:**
 - Half regulation basketball court with 1 goal
 - Basketball playing areas can be found in most playgrounds, gyms, and parks around the world.
- **NUMBER OF PLAYERS:**
 - At least 1 player
- **GRADE LEVELS:**
 - 3rd-8th grades
- **EQUIPMENT:**
 - A basketball
 - Goal

- **HOW TO PLAY:**
 - The objective is to make baskets from eight spots in a semicircular pattern around the goal
 - Then do the same going in the opposite direction
 - Players decide between themselves who will shoot first
 - The player chosen to shoot first shoots from spot #1 at the base of the key
 - If the shot is good
 - They move up to the next spot
 - If the shot is missed,
 - The second player then gets a turn at shooting from spot #1
 - Play continues with each player shooting from the spot they last missed from
 - The first player that first successfully makes all the shots (spots 1-8 and back again) wins the game
