 - Goal

- **HOW TO PLAY:**
 - This is a fun shooting game that requires only one goal.
 - The objective is to "knock out" of the game another player by making a basket ahead of them.
 - They then decide a shooting order and stand in a file at the foul line
 - The first player shoots from the foul line
 - If the shot is good
 - They go to the back of the line and remains in the game
 - If the shot is missed
 - The shooter gets their rebound and continues shooting until either he makes it or the second player has made a basket
 - If the second player makes a basket before the first player
 - The first player is "knocked out" and must exit the game
 - The remaining players continues playing with "knock outs" occurring every time a player makes a basket before the player ahead of him.
 - The winner is the last player remaining.
