

## Winter Fruit Fun! Snowmen on a Stick

Try this fun, healthy, easy food craft using banana and raisins for the face/buttons and pretzel stick arms.

### Ingredients:

Banana (1 per child, sliced)

Raisins

Pretzel sticks

Lollipop sticks

Paper plates

Plastic knives

### Instructions:

If you do these with the kids, make the banana slices thick enough for the stick to go through, or they could easily break. Provide each child with a paper plate to work on, banana and plastic knife, after peeling banana, have them slice the bananas, arrange in snowman form, insert pretzel sticks, then decorate with raisins and enjoy!
