

# Creating value:strategy

We believe business advisors should be asking the right questions about strategy, markets and growth to help position your organization for success. We provide the custom BluePrints.

## Scaling

- CRM & Sales
- Business models
- Incentives
- Forecasting
- Controls & reviews

## Organizational design

- Goal structures
- Activity structures
- Management structures
- Compensation models
- Capabilities development

## Implementation

- Team mobilization
- Strategic planning
- Operational reviews
- Process automation
- Systems & reporting

▲ Strategy

▲ Mergers

▲ Complex Tax
