

LOAN FORGIVENESS ASSISTANCE

The Paycheck Protection Program was created as part of the CARES Act to provide assistance to businesses during COVID-19 through forgivable loans. However, the program has complex forgiveness guidelines, rules, and calculations that recipients must navigate to get full loan forgiveness.

HERE EVERY STEP OF THE WAY

Our team is here to assist you with navigating the forgiveness and calculation process so that you can get back to work focusing on your employees and business. We are supporting clients every step of the way to help them:

- **Save Time.** *So you can focus on your business, not SBA guidelines.*
- **Forecast alternative scenarios.** *So you can make adjustments to your payroll, expenses, or other measures.*
- **Collaborate.** *On the correct way to code, track, and calculate your PPP expenses.*
