

The "New Normal" continues. We have hosted more than 15 Fatherhood Development and Within My Reach classes through the Zoom app. It has not been without its challenges, but we are working our way through the difficulties. Thank you to our participants for adapting to attending class in this way. Thank you to our facilitators for stepping up to the challenges involved with online teaching. We appreciate each one of you and your dedication to the New Pathways for Good Dads program.

Remember, we are here to help. Don't hesitate to give us a call. 417-501-8867

Inspiration From New Pathways

Meet Joe and Amanda Fowler!

Joe is a graduate of the New Pathways for Good Dads program. He is married to Amanda and has one step-son named Destin. Joe and Amanda have graduated from the sober living program at New Beginning Sanctuary. Through NBS they have been house managers in several locations and have recently moved into their own apartment! Joe is a maintenance/handyman for NBS, a chef at HuHot, and an outstanding facilitator for the NPGD program. Amanda is a Substance Abuse Technician at Burrell Behavioral Health as well as a NPGD facilitator and assistant case manager. After Joe completed his Fatherhood Development Course, he decided he wanted to become more involved with Good Dads. Joe and Amanda have since been trained as facilitators for Fatherhood Development, Within My Reach, and Within Our Reach. Together, Joe and Amanda have facilitated four different fatherhood and relationship classes at NBS for the NPGD program. They make a great team, and we are blessed to have them on our team!

Congratulations Joe and Amanda!

Some kids grow up with a good dad; many do not. When a father is absent from the home, children-and especially boys-are more likely to make poor choices.

Cody is one such person who has turned his life around through the New Pathways for Good Dads program and is now actively engaged as a father with his own children.
