

# 2015 Nuclear Science Week

## October 19 - 23, 2015

**Nuclear Science Week is a national, broadly observed week-long celebration that focuses on all aspects of nuclear science. Events during this week will provide many learning opportunities about contributions, innovation and careers that can be found by exploring nuclear science.**

### **EDUCATION DAY**

**Monday, October 19, 2015 - Friday, October 23, 2015**  
**Ruth Patrick Science Education Center (RPSEC)**  
**University of South Carolina Aiken**

Offering programs for middle and high school students with focus on:

- Journey to the Center of the Atom (Featuring the Interactive Nucleus)
- Probing Periodic Table
- Chemical Matters

Teachers can make arrangements for class participation through <http://rpsec.usca.edu/>

### **EDUCATION DAY**

**Tuesday, October 20, 2015**

**Georgia Regents University (GRU) - Augusta, GA**

Offering programs for high school students with focus on:

- Journey to the Center of the Atom
- Fundamentals of Nuclear Fuel
- GRU Career Panel

Registration required - For more details, contact Sharron Walls at [shwalls@gru.edu](mailto:shwalls@gru.edu)

### **SITE VISIT DAY**

**Monday, October 19, 2015 & Friday, October 23, 2015**

**Southern Company - Plant Vogtle**  
**Vogtle Visitor Center, 7821 River Road, Waynesboro, GA**

Limited seating with registration required - For more information, contact Lisa Chance at 706-826-3881 or [lmchance@southernco.com](mailto:lmchance@southernco.com)

### **EDUCATION DAY**

**Friday, October 23, 2015**

**USC Salkehatchie Allendale**

Offering programs for 8th grade students with focus on:

- Journey to the Center of the Atom
- Fundamentals of Nuclear Fuel

Registration required - For more information, contact Dawn Stuckey at [dstuckey@mailbox.sc.edu](mailto:dstuckey@mailbox.sc.edu)

### **SITE VISIT DAY**

**Tuesday, October 20, 2015 & Thursday, October 22, 2015**

**SCANA - VC Summer Nuclear Station**  
**100 Bradham Blvd, Jenkinsville, SC**

Hosting student & teacher tours of the AP 1000 nuclear construction site.

Space is limited with registration required - For more information, contact Erica Knight at [erica.knight@scana.com](mailto:erica.knight@scana.com) or 803-931-5436

### **SITE VISIT DAY**

**Wednesday, October 21, 2015**

**Savannah River Site (SRS) - Aiken, SC**

For CSRA middle and high school science/math teachers. Tour is focused on science application at SRS.

Registration required - Middle & high school principals should contact Kim Mitchell at [kimberly.mitchell@srs.gov](mailto:kimberly.mitchell@srs.gov) or 803-952-8782 to register a teacher for the tour.

### **STEM CAREER CONNECTIONS DAY**

**Thursday, October 22, 2015**

**Kroc Center, 1833 Broad Street, Augusta, GA**

Interactive forum for regional Georgia (*Columbia, Richmond*) and South Carolina (*Aiken, Allendale, Barnwell*) high school juniors and seniors considering a career pathway that involves science, technology, engineering and math (STEM) skills.

Limited space with registration required - For more information, contact Kim Saxon at [kim.saxon@srsco.org](mailto:kim.saxon@srsco.org) or Mindy Mets at [mindy.mets@srsco.org](mailto:mindy.mets@srsco.org)

### **ANNUAL EDWARD TELLER LECTURE**

**DATE - TBA**

**LOCATION - TBA**

The Citizens for Nuclear Technology Awareness (CNTA) will hold their 24th Annual Edward Teller Lecture and Banquet to coincide with Nuclear Science Week.

Guest Speaker - TBA

More information and details coming soon.
