

# MEET UPS

*We are being*  
Honouring  
Courageous  
Extraordinary

**WE WANT TO SEE LIVES TRANSFORMED  
INTO ALL GOD HAS FOR US.**

# MEET UPS

For a while now we have been able to meet as two households in one another's homes. We have been encouraging you to do this on Sunday mornings, inviting other people over and being church together.

## JUST REMEMBER...

You don't go to church; you are the church! Therefore when we meet together in our homes on a Sunday morning, you have everything you need! YOU + HOLY SPIRIT = EVERYTHING you need!

Bottom line is, don't worry it will be great.

## SOME THINGS TO HELP

- A screen with internet access and speakers.
- We'd encourage you to follow this sort of structure for your meeting together:

### 1. EAT IN & CHECK IN

- Eating together is wonderful and Jesus did it A LOT.
- Check in asking how has your past week been - highs and lows?
- Where have you seen God at work - stories?

### 2. PRAY & SING

- Invite Holy Spirit to come and wait for Him.
- Worship, sing together - be brave.
- Try praying between songs or reading a bit of the Bible.

### 3. LISTEN & DISCUSS

- Watch the sermon via the website.
- Go through the questions, be vulnerable and honest.
- Invite Holy Spirit to come and wait for Him.
- Allow Holy Spirit to direct your prayers for each other.
- Share any words, scriptures or pictures God gives you to encourage each other.

**If you have any questions or need help / advice, please give us a call on 01435 863786 or email the office: [office@kcheathfield.org.uk](mailto:office@kcheathfield.org.uk)**

**P.S.** Some of you may be wondering why we aren't gathering now? It's because the Government guidelines make meeting together in a meaningful way impossible. But not only that, now is also a God-given opportunity for us "to be the church and not just go to church", to pray and worship and open the Bible in our houses together. Let's invite God into all of our lives - we are sure God is doing something special in this moment!

**HAVE A GREAT TIME!**
