About St Bede's

At St Bede's we are proud to serve roughly 1,700 boys and girls of all abilities, age 11-18, from the Reigate, Redhill, Caterham, Horley and surrounding areas. This includes over 300 studying academic courses in the sixth form. The school has an Anglican, Catholic and Free Church foundation and we work hard to create an inclusive ethos. Our aim is to ensure that pupils thrive academically, socially and spiritually within a Christian framework.

In January 2017 Ofsted carried out an inspection of St Bede's and judged the school outstanding in every category. The report acknowledged that pupils make exceptional progress in all year groups and in almost all subjects. Disadvantaged pupils and those who have special educational needs and/or disabilities also make rapid progress. The inspection highlighted the teaching in the sixth form as consistently challenging and as a result, students are motivated to learn and achieve excellent outcomes.

Attainment and progress scores at GCSE and A level are consistently above national averages. We are particularly proud of the English and Maths results achieved in the new 9-1 GCSEs. Both departments achieved fantastic results at 4 and 7 grades. St Bede's also saw a steep rise in the number of students achieving the English Baccalaureate.

Measure	2017	2018	2019
Attainment 8	54.9	57.6	58.27
Progress 8	+0.48	+0.68	+0.73
EBACC	43%	49%	54%
EBACC entered	74%	77%	84%
4+ English	84%	86%	92%
4 +Maths	89%	88%	89%

Our school is committed to the safeguarding of children so all appointments are subject to a satisfactory enhanced DBS check. Only applications made on our School Application Form will be considered; we do not accept CVs or unsolicited testimonials. It is our policy always to request references prior to interview.

Please see our staff prospectus for further information about working at St Bede's.

"A zest for learning permeates the whole school. Teachers' high expectations mean that pupils are ambitious for their own futures and approach their learning with determination and resilience."

Ofsted 2017

Design & Technology Technician

This is a rare and exciting opportunity to become a team member in a long established and successful design and technology department. The successful candidate will be instrumental in influencing the next generation of designers and engineers and will have a role in helping to shape the future of the department. They will have input into the curriculum and creating and developing systems. We have three well equipped multi-media workshops with access to a vast selection of hand tools, wood and metal lathes, a milling machine, brazing hearths, sand casting equipment, a MIG welder and a working forge. A graphics room with good IT provision, and a computer suite with a range of CAD/CAM facilities including a laser cutter, a CNC router, 3D printer and vinyl cutters. Responsibilities include: preparing resources for lessons; maintaining stock and equipment; overseeing students undertaking practical tasks; maintaining a safe environment (see the following job profile for more detail).

The daily working pattern will be 08:00 to 16:00 with a 50 minute unpaid lunch break. The employment is for the 39 term time weeks of each year including inset days, plus 1 additional week to be worked during school holidays.

The department offers students a range of courses. At KS3 students are introduced to a range of equipment and skills including woodworking, metalwork, electronics, engineering and graphics. At KS4 we teach Product Design GCSE and Vocational Engineering. At KS5 students are offered the freedom of the workshops to develop their design and manufacturing expertise while studying A Level Product Design; as a result many of our students progress to degree level. This is a fantastic opportunity for a creative, committed and forward thinking person who has the capability to work independently and as part of a team.

Support staff are valued members of the school community and fill vital roles. They are respected for the expertise they bring to their area of work. St Bede's supports the professional development of its staff and takes staff wellbeing very seriously.

Annual salary reflects the contractual hours and weeks per year and is calculated using a Surrey Pay formula which includes payment in respect of statutory annual leave allowances. Salary is paid in 12 equal monthly instalments.

There is no entitlement to take leave during term time. All holidays must be taken during school breaks.

.

Job profile

St Bede's is a voluntary-aided school in which staff are employed by the Governors and will work within the policies approved and adopted by the Governing Body and under the direction of the Headteacher. All staff are expected to support the Christian ethos of the school, maintain the highest professional standards and contribute to the development of St Bede's as a thriving community.

Role Purpose: To provide practical support to teaching and learning in the design and technology department, playing a crucial role in supporting and improving students' learning experience.

Key deliverables include:

- Supporting the work of the design and technology department primarily by ensuring that the resource and materials requirements of the department are effectively met
- Supporting students and teaching staff when doing practical tasks
- Preparing materials, equipment and resources for lessons and maintaining adequate material stock
- Administrative tasks in support of outstanding teaching and learning
- Maintaining a safe environment

Contract The contractual basis of this post is the current Surrey Pay scheme and any other regulations currently in force.

Job Family: Operational Services **Grade:** 5

Responsible to: Head of Department – Design & Technology
