

LIVE OnLine

Upcoming Seminars and Classes

April 22 – Mobile Photography & Archiving

Let's talk MOBILE PHOTOGRAPHY – getting better images with you mobile phone through apps, accessories and on-the-go archiving and storage.

2 pm Facebook Live FREE

April 24 – NO STUDIO REQUIRED

Making studio portraits in your backyard is easy – let us show you how! In this LIVE shoot from the “Backyard Studio” we'll discuss auxiliary lighting, modifiers, scouting the best light, lens choices and more!

4 pm Zoom \$25 – Limited to 1st 25 participants

April 29 - Workflow

There's more to a successful (and fun) photoshoot than showing up. We'll talk pre-shoot prep, anchor points, gear selection and more to simplify and smooth you experience before, during and after your shoot.

2 pm Facebook Live FREE

May 1 – Prints + Open Mic

We'll talk about favorite images – what went into them, why they are favorites, how to display them and more. Open Mic Ask Me Anything to follow – bring your issues, questions, comments and anything else photo-related to the table and let's discuss!

2 pm Zoom - FREE

PHOTOGRAPHY

Tony Ulchar has been a mentor and guide to hundreds of rookie and aspiring professional photographers for more than 15 years. He can bring his breadth of knowledge from the boardroom and the sports field to the classroom to make photography easy, simple and fun. Over the last 15 years he has led photography workshops to Arizona, Costa Rica, Michigan, and Cuba.
